As concerned parents we feel compelled to write you this letter. We sincerely hope that Mr. Overby will be put out of Scouts as he poses a threat to all of the boys he works with.

Our son, [REDACTED] is now 13½ years old. At the time these terrible things started taking place he was only 12. The force and brutality Mr. Overby used has caused considerable emotional and physical scars and trauma to [REDACTED]. With help, we feel [REDACTED] will recover ~~his~~ from the emotional trauma.

We do hope this matter can be settled quickly so no other boy will have to suffer the pain and anguish our son has.

Sincerely,
[REDACTED]

This letter concerns
Mr. A.R. Overby, Assistant
Scout Master, Troop #65
and homosexual acts
made against me,
[REDACTED], by Mr. A.R.
Overby.

These acts took place
over a one year period.
In order for Mr. A.R. Overby
to perform these acts
he used force, threats
and blackmail. Some of
these acts were perform-
ed during summer
camp of Troop #65. He
also beat me on two
different occasions. The

first occasion, Bob Masley
scout master of troop
865, witnessed the beating.
On the second occasion
Greg Roberts, junior
Assistant Scout Master,
witnessed the beating,
& was beat more than
twice but this are the
only times I was beat
in front of others.

I think Mr. A.R.
Overby should be banned
from scouts to protect
other children from
what I have
experienced
