PERSONAL AND CONFIDENTIAL

Dear Bob:

Thank you for the information which you sent on Randall B. Merritt. This individual was on our file back in the early 1970's but was removed as you indicated after going through the probationary period. We appreciate the very careful documentation which you have sent us and certainly this will be adequate information for maintaining Mr. Merritt on our files and refusing registration in the future.

Since our cases are destroyed when a case is removed from a file, we do need a new Confidential Records Sheet. I am enclosing the form so that you may complete it. I would appreciate this very much.

Sincerely,

Paul I. Ernst, Director
