Roy,

Warren and I talked with Lu Zalasney and he said nothing had developed this past year that would warrant Overby's registration not being accepted.

He is working, holding a job for the first time in several years, and is receiving help from the VA hospital. (His problem is "Vietnam syndrome.")

He recently was selected to be the SM of Troop 44. Warren checked with the pastor, Scouting coordinator and troop committee of 44 and reports that they were aware of Overby's past when they asked him to be their SM.
