SUBJECT: Allan D. Mead

Dear Larry:

I am sorry to bother you again concerning this matter, but the only material in our files is the Confidential Sheet that we received in late March. At the bottom of this you indicated that this man had raped a youth member and served time.

We must have copies of newspaper clippings, court records, or other material which would substantiate our refusal. Perhaps, your council attorney can secure some of this material for us, so we can complete this file. It is most necessary in today's world.

Sincerely,

Paul Ernst, Director

SUBJECT: Allan D. Mead

Dear Larry:

I appreciate your letter of August 5, concerning this individual but I never received any newspaper clippings, signatures, or police reports on Mr. Mead. I do have the Confidential Record Sheet but have never received anything else, except for your original letter which did not indicate any material.

If you will send me newspaper clippings substantiating their arrest and conviction this would be enough for our file. The Confidential Record Sheet indicates that he had raped a youth and served some time. We really would like documentation.

Thanks for your help.

Sincerely,

Paul Ernst, Director

SUBJECT: ALAN D. MEAD

Dear Larry:

We received from you some information in March concerning the above named individual. At that time you sent us a confidential record sheet indicating that you felt he had served some time for raping a youth.

We must have newspaper clippings or court records which will substantiate this charge. This is most necessary in today's legal world and I am sure you could get some of this information through one of your board members or your council attorney.

We would also like a copy of a paper with Mr. Mead's signature as this aids in the identification process.

Please send us as much information as possible so we may complete this file. We certainly want to protect all youth who are involved in the program.

Sincerely,

Paul Ernst, Director

SUBJECT: Alan O. Mead

Dear Larry:

I did not find any other information in our files related to the above named individual. The only other thing that we have is the Confidential Record sheet which you sent dated March 22, 1988.

We would like more information concerning his sexual molestation of a youth. Could you send us newspaper clippings or court records which would substantiate this situation? We would also like a copy of a document with Mr. Mead's signature so that we may have this for identification purposes.

If you can receive statements from individuals or other material, this would also add to our file to give us the necessary documentation for refusal of registration attempts.

Thanks for your help in completing this file.

PERSONAL & CONFIDENTIAL

SUBJECT: Alan D. Mead

Dear Larry:

I am sorry I keep writing you letters, but we do need each confidential file case on a separate letter. This protects our files in case somebody should subpoena them at a later time and it would not bring to light other cases.

I need more information concerning Mr. Mead. We would like copies of newspaper clippings or court records that would substantiate that he served time for rape of a youth. If you could supply this information it would increase our ability to refuse registration anywhere in the country.

We would also like a copy of a document with Mr. Mead's signature. This aids in the identification process.

Any additional information you can send us will help to strengthen our file.

Thanks for your help.

BOY SCOUTS OF AMERICA

Irving, Texas 75015-2079

Dear Paul:

Enclosed is the confidential record sheet on David P. Wilson along with a charter renewal application with his signature.

Also attached to his confidential record sheet are several press clippings- to date I do not know the results of his trial if there has been one.

In addition I have enclosed additional people to be put in the confidential file, what you see is all I can find using my police resources.

I understand from a conversation recently with a P.I. the mother of one of the boys molested by Wilson is suing him. The P.I. did not think she was going to name the BSA in the suit but you might want to alert risk management to the possibility.

We need a better system at the time of registration to gather the information we need after something goes wrong. I hope the new adult application will address that need.

Hope the enclosed information is helpful.

Sincerely,

Lawrence V. Pegg
Scout Executive
