After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a Council Review Committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

SUBJECT: ANTHONY LEWIS YOUNG

Dear Hugh:

In early 1989, we received information concerning the above named individual. It was indicated that he had been charged with sexual battery with a child and had been arrested. A record sheet accompanied this information.

We have written on several occasions since that time and have received no response related to the police report or newspaper clippings substantiating the outcome of this legal action.

We really need this information to complete our file and make certain that Mr. Young cannot become involved with the Boy Scouts of America in any location.

Please help us in completing our file and protecting the youth of America.
