Dear Jeffrey:

Thank you for the Confidential Record Sheet which you recently sent us concerning the above-named individual. We also appreciate the application which gives us his signature. This aids in the identification process.

We would like copies of newspaper clippings or court records which would substantiate his conviction and sentencing on child sexual abuse charges. We need to have these in our file so that we have adequate documentation should either you or I be on our present jobs when a question arises.

Please send us some material for our file to substantiate this conviction.

Sincerely,

Paul Ernst, Director
Registration Service

Dear Jeffrey:

We received a telephone call from your office in December indicating that the above named individual had been accused of sexual abuse, convicted and sentenced.

We need more information if we are to have this individual on the file and refuse registration should an attempt be made. Please complete the enclosed Confidential Record Sheet with as much information as possible. We would also like a copy of an application with his signature as this aids in the identification process.

We need newspaper clippings, court record, or other information which will substantiate our refusal. Statements from individuals are also very helpful.

Please contact us if you have any questions.

Sincerely,

Paul Ernst, Director
