SUBJECT: BRUCE SINGLEY

Dear John:

I am enclosing another Confidential Record Sheet which I would like to have completed, so we may be able to identify Mr. Singley should he attempt registration in another location. This should be completed with as much information as you have available, so that we have a file which will be strong enough to support our registration refusal, should neither you nor I be in our present jobs.

You indicate that Mr. Singley has been to trial and was convicted. We would appreciate a newspaper article or a copy of the court record which would indicate this. This again would strengthen our file.

Thanks for your help in completing this matter.

Sincerely,

Paul Ernst, Director

Dear John:

Periodically, we follow up on our confidential cases. In your last letter you indicated that Mr. Singley had been to trial and was convicted of the charge. I still would like a newspaper clipping of the conviction, if you can secure this. This really ties down the material for the future.

I am also enclosing another Confidential Record Sheet which I would like to have completed, so we may identify Mr. Singley should he move to another council. Please complete this to the best of your ability, so that we have all the material necessary for identification.

Thanks again for your help in completing this file.

PERSONAL AND CONFIDENTIAL

SUBJECT: Bruce Singley

Dear John:

Thank you for your letter of August 26, concerning the above named individual. This letter is certainly helpful to us as we begin to establish a file. We also received a call from your office on August 16, as our first notification.

We have deleted Mr. Singley from our registration file, so that he is no longer on the registration records of the Boy Scouts of America. We would like a Confidential Record Sheet completed with as much information as available. A copy of a paper with his signature would also aid in the identification process.

You indicate that some material was enclosed with a letter, but we do not find that anything was enclosed in the envelope with the letter which we received. Perhaps this was missed when the letter was mailed. Copies of troop committee minutes, statements of individuals, court records, or other material would be most helpful.

Please let us know the outcome of the legal action as it is completed, so that we have a complete file.

Sincerely,

Paul Ernst, Director
