Dear Paul:

We just received your letter of alert on L. C. Walker.

You probably have your man confused with someone else. You refer to Chalma Lee Walker in your letter. L. C. Walker has been a member of our board for several years and has been an active Scouter for over ten years in this Council on a current registration record. In fact he has received the Silver Beaver award in the past two years. We have not, since I have been here, received any kind of information inquiry on L. C. Walker. Would you please double check your records to be sure that you and I are talking about the same person. I have no record of what was sent you in 1967. I certainly do not believe this is the same person.

I would appreciate a prompt reply to this letter.

Re: Chalma Walker
Institutional Representative
Troop 254

Dear Mr. Linthicum:

Thank you for your response to our identification questionnaire concerning Chalma Walker. From the information you provided it is certain that your Mr. Walker is the same individual as one on whom we have information. We therefore regret to inform you that we cannot accept Mr. Walker's application.

When informing Mr. Walker about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Walker should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$2.00. Kindly delete Mr. Walker's name from your records.

Please submit another application with fee for the replacement of Mr. Walker as Institutional Representative. Please be sure to attach the enclosed referral slip with the new application so that it comes directly to our attention and we can release this unit without further delay.

Sincerely,

Howard Boyd, Director
