SUBJECT: Charles A. Lamont

Dear Hartley:

We really appreciate the information you sent us on the Confidential Record Sheet for the above named individual. This will enable us to identify Mr. Lamont should he attempt registration in some other location.

We really would like a written statement from the pastor of the Methodist Church or from the former spouse which would help us to substantiate the charges.

If you can get any material from the legal authorities this also would be most helpful in having a permanent file. Thanks for your help in completing this material.

Sincerely,

Paul Ernst, Director
Registration Service
