Re: Christopher Harper

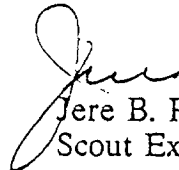

Dear Paul:

As a follow-up and in reply to your recent letter, we have called the Clay County Circuit Court Clerk's office regularly to check on the status of the trial in this matter. It was continued several times.

When we called on June 2, 1989, the clerk said "the file has been closed except for defendant's use." We inquired as to whether there had been a trial and were told that they couldn't give us that information.

If any further information is forthcoming, we will advise you.

Sincerely,

Jere B. Ratcliffe

PERSONAL AND CONFIDENTIAL

SUBJECT: Christopher Harper

Dear Jere:

In March your council sent us a note indicating that the above named individual had been arrested on two counts of sodomy. We wrote you in March and again in June and had no response.

I am enclosing another Confidential Record Sheet which I would like to have completed, so we may identify Mr. Harper. We do not think he should be registered with the Boy Scouts of America. A paper with his signature would, also, aid in the identification process.

Please send us any statements from individuals, newspaper clippings, or court records which would help to substantiate the statements which were originally made. This would then help give us a complete file for refusing registration anywhere in the country.

Thanks for your help in completing this matter.
