Dear Mr. Taylor:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

William Kettley
President

Dear Dennis:

I hate to bother you again, but we still would like some more information concerning the above named individual. We would like a copy of the letter which was sent to Mr. Taylor suspending his registration.

We would, also, like to have the outcome of the legal action. You indicated he had been arrested for child molestation. We would like to know if the legal action is now completed, since our first communication was in the month of April.

Thanks for your help in protecting the youth of America.

Dear Dennis:

We appreciate the Confidential Record Sheet which was sent, so that we may identify Mr. Taylor should he attempt registration in some other location. We would like a paper with his signature, if you have this available, since this would aid in the identification process.

As any legal action is completed we would like to be informed, so that we know the outcome and any sentencing which may be imposed. This is most helpful in strengthening our file and making certain he cannot register again anywhere in the country.

Thanks again for your help in completing this file.

Today Christopher Taylor was arrested for pedophilia. He is a pack committeeman in Pack #148, Cheseboro School in DeKalb, Illinois. The address is [redacted] Illinois.

He has informally served as an Assistant Cubmaster but was not yet registered in that capacity. Dennis Cook, Scout Executive, is composing the letter and the check. We do not know if our Cub Scouts were involved. We understand his wife turned him in but are not sure of that. Further information not available.
