Dear Paul:

I requested information on Mr. Overholt from the court in his county of residence. They found no criminal record.

I then called the Pueblo District Attorney's office, the District Attorney is on our executive board. He says that until Mr. Overholt is officially released from the care of the VA hospital they cannot take action against him. His recommendation that Mr. Overholt not be involved in scouting has not changed.

Sincerely,

Jeff Morris

Dear Jeff:

I hate to bother you again, but wondered if Mr. Overholt was ever arrested for the assault with a deadly weapon charge. If so, we wondered if the legal action had been completed. We would like newspaper clippings or court records substantiating that action.

Thanks again for your help.

Sincerely,

Paul Ernst, Director

Dear Jeff:

Thanks for the material you recently sent concerning the above named individual. This is most helpful to us as we develop a file which will lead to refusal of registration in the future.

I would like to know if Mr. Overholt has been arrested. If so, we would like to have newspaper clippings or court records, and the final outcome of the legal action. This would then strengthen our file, so we would have no trouble refusing registration anywhere in the country.

Thanks again for your help as more information becomes available.

Sincerely,

Paul Ernst, Director

Dear Mr. Roldan,  
I want in writing a full disclosure of information and names of people who gave information about me in your review - I also want to know why six (6) months after my registration is accepted you decide I'm not "up to your standards". What am I suppose to tell my Boys?

Also since I don't meet your "Standards" I wish (want) a full refund for myself and ~~my~~ my sons  and  and I don't want to wait very long.

Dear Mr. Overholt:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely,

Mary Ann Roldan  
President

CONFIDENTIAL REPORT

ON

DAN S. OVERHOLT

About May 14, 1990 I received a phone call from Joan Woody, District Chairman for Bent's Fort District. She had received a report from Mimi Marmon a scouter in Las Animas that Dan S. Overholt, who was serving as den leader in Pack 242, had a record of child abuse.

I talked with Mrs. Marmon and decided more information was needed. Mr. Overholt is not registered but is active in the unit.

I contacted District Attorney, Gus Sandstrom to see if he could provide further information. After a computer check Gus indicated that he could not provide me all the details on Mr. Overholt but said the Boy Scouts "should avoid him like the plague." He also thanked me for Mr. Overholts address because he was wanted also for assault with a deadly weapon and menacing and now that they had an address they would arrest him.

Scout Executive
