RE: Daniel W. Johnson

Dear Paul:

Attached is a letter from the Illinois Department of Children and Family Services indicating that Daniel W. Johnson has been "Indicated" on the allegation of Sexual Exploitation.

The details as I know them are:

At a troop meeting in late May, 1988, Dan took two boys to his home, allegedly to pick up some camping equipment for an upcoming campout. Once they were in his apartment, Dan closed the shades, put a pornographic tape on the VCR and left the room. Dan reappeared in a few minutes at which time he allegedly exposed himself to the boys and displayed a T-Shirt on which he had either urinated or ejaculated. The boys expressed that they would prefer to return to the troop meeting, which they did. This was the first troop meeting for both boys since transferring from Webelos.

As far as can be determined there was no physical contact between Dan and the boys at any time.

We have already sent a copy of Johnson's signature with the original information.

If I can be of any further assistance please contact me.

Sincerely,

  
James D. Stone  
Assistant Scout Executive

Mr. Dan Johnson

Dear Mr. Johnson:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated.

Sincerely yours,

James D. Stone  
Assistant Scout Executive
