Dear Tom:

I have written to you several times and have received no response related to the above-named individual. I really would like to close our file and have enough information to refuse registration should an attempt be made.

We are enclosing another Confidential Record Sheet which we would like to have completed so we may identify Mr. Krauszowski should he attempt registration in another location. If you have a copy of an application with his signature, this would also be helpful to us in the process of identification.

I would like to know whether Mr. Krauszowski has been arrested and if any legal action has taken place. This will certainly help to strengthen our file.

Let us know if we may be of help.

Sincerely,

Paul Ernst, Director

SUBJECT: David Krauszowski

Dear Tom:

In March of 1987 we received a letter from you concerning the above named individual. It indicated that he was asked to resign after the parents of a boy in the Scout Troop told police their son was involved in a sex act with the Scoutmaster.

We also received a copy of the note which the Committee sent indicating that they had accepted resignation of Mr. Krauszowski from Troop 414.

I need a Confidential Record Sheet in order to identify Mr. Krauszowski and refuse registration if an attempt be made in another location. We are enclosing another Confidential Sheet to be completed with as much information as possible.

We would like to have any newspaper clippings or court records related to his arrest. We would like to have the outcome of legal action and sentencing.

If I can be of any help, please contact me.

Sincerely,

Paul Ernst, Director
Registration Service

Dear Tom:

We appreciate the material which you sent us this last Spring concerning the above-named individual. I am sure this will be most helpful to us in refusing registration should an attempt be made at a later time.

I am enclosing a Confidential Record Sheet which I would like to have completed so we may identify this individual. I am enclosing another sheet in case the previous one has been misplaced.

If there has now been an arrest and an indictment, we would like to have newspaper clippings or court records which would substantiate this. We would also like to have the outcome of any legal action as this is completed. This will then build us a file which is strong enough for refusal of registration anywhere it might occur.

Let me know if I may be of further help to you.

Sincerely,

Paul Ernst, Director

Dear Tom:

We received some information from you in March concerning the above-named individual. At that time, it was indicated that he had been asked to resign from Troop 414 of Lansing, Illinois.

We would like to know if any additional information has come to your attention related to this matter. If he has now been charged and convicted, we would like to know the outcome of any legal action.

I am also enclosing a Confidential Record Sheet which I would like to have completed so that we may identify this individual should he try to register in some other location.

Thank you for your help.

Dear Paul,

As per our conversation please find enclosed copy of a letter to David Krauszowski accepting his resignation as Scoutmaster of Boy Scout Troop 414 of Lansing, Illinois, of the Calumet Council.

Mr. Krauszowski was asked to resign after the parents of a boy in his Scout Troop told police that their son was involved in a sex act with the Scoutmaster David Krauszowski. Two Scouts 11 and 13 years of age were involved at the apartment of the Scoutmaster. It did not happen at a Scout function.

Our attention was called to this matter by the Assistant Scoutmaster Richard Rechart, who is a policeman on the Lansing Police Department.

As other information is made available, I will forward it to your office. His name has been pulled from our roster and mailing list.

Sincerely yours,

Thomas E. Cowley
