Dear Dennis Baugh:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that B.S.A. leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the B.S.A. seeks to provide for American youth. Please, also, understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me explaining your version of the facts supporting your claim that your registration as a B.S.A. leader should be reinstated.

Sincerely yours,

MARTIN WISTISEN  
Council President
