Re: Donald Connell  
Assistant Scoutmaster, Troop 22

Dear Mr. Peterson:

On your recent Charter application for Troop 22, you included the registration for Donald Connell, 116 Ord. St., New York, to serve as Assistant Scoutmaster, in District 3. We regret to inform you that we cannot accept Mr. Connell's application.

When informing Mr. Connell about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Connell should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$2.00. Kindly delete Mr. Connell's name from your records.

Sincerely,

Paul I. Ernst, Supervisor

PERSONAL AND CONFIDENTIAL

Dear Bill:

Thank you for your confidential record sheet dated March 12 concerning Donald Connell who you indicate is associated with Troop 301 in Miami. We have placed the information you provided in our files.

Your record sheet gives no dates as to when Mr. Connell was associated with Troop 301. In checking our files we can find no current registration for this individual with this unit. Is it possible he may have been serving in an unregistered capacity or perhaps with another unit? We would appreciate your advising us regarding this so that we can delete his name from the proper records.

We would also very much appreciate your forwarding to us any substantiating documents that might be available pertaining to this situation, such as copy of police record; court records; statement from any of the boys involved or the boys' parents; any newspaper clippings, etc. This additional material is most important for future reference and identification purposes.

Thank you for your kind cooperation and help.

Sincerely,

Howard Boyd, Director  
Registration and Fulfillment Service
