Dear Dennis:

were a Your letter of June 28, 1988, regarding the issuance of a Membership in NESA to Donald Fricke who is on the Confidential File is apprectated,

Attached is my notice to Mr. Fricke that we are denying him membership in NESA and Que di la companya di returning his \$150.00 fee.

However at this point, the I have placed the NESA file on the computer main frame. Information Systems Division has not cross referenced it with the Confidential File. Since the NESA file contains over 100,000 entries is not possible to hand check it against the Confidential File. .:iĕ×r

It is my understanding that I.S.D. is currently working on this situation toward the end that we will be able to cross reference prior to the issuance of NESA membership credentials. All of us are aware that cress referencing is appropriate.

It has never been a requirement that a NESA members be registered with the Boy Scouts of America. We do not believe it should be but strongly support the cross X. X X. Act, NACK referencing approach.

I appreciate the opportunity of discussing this matter with you by telephone.

Donald Fricke was denied membership in the B.S.A. 1986. This being after a long period of probation, and then ultimately after he exercised his rights and asked for a review (see the attached).

I guess the question is this:

1. How did this get by when we assume he has been "red flagged" in the computers?

2. Do you, in fact, have to be a registered member of the B.S.A. to belong to N.E.S.A.?

It seems in this day and age of intiltration of youth organizations that a cross check seems in order, we have a seems in order to be a seems in the seems in order to be a seems in the secks are seems in the seems in the secks are set as a secks

Dear Ken:

żs Transie Transie Thank you very much for your letter of February 6 concerning Donald Fricke. I appreciate the newspaper article and his resignation from Scouting at the present time. XXX

I apologize that someone did not follow up on this case back in 1966. It was left hanging to indicate that the case had been heard and bound over to Superior Court. No future correspondence took place and nothing was indicated concerning any conviction or sentencing.

I hope we have no further problems but, please do not hesitate to contact me if I can be of any help. Enclosed is a credit notice for the registration fee and those issues of Boys' Life which have not yet been mailed. We have deleted the registration and the subscription to Boys' Life.

Ellis said Fricke always had provided encouragement for her son.

"My son came home in tears." Whoever is doing this is ruining him (Fricke)," she said.

She also chastised the newspaper's illustration of a Boy Scout hovering beneath a shadowy figure, saying she does not want her children to see it. "I think they'd be afraid because of the picture." she said.

Ellis said she is worried Fricke,

Report and Recommendation Concerning Donald Fricke

This report and recommendation have been prepared and submitted in response to a letter of February 19, 1985 from Mr. Donald Fricke to Mr. Kenneth W. Prowse, Scout Executive, requesting reinstatement as a Scouter. On January 25, 1985, following publication of an article in the New Haven Register concerning Mr. Fricke's conviction in 1966 for alleged child molestation, Mr. Fricke tendered his resignation from the Boy Scout movement. The letter admitted that "a very costly mistake was made". The resignation was accepted and acted upon.

A registration review committee was appointed by the President of the Quinnipiac Council. The review committee met with the Council president and the Scout Executive to review what materials had been received relating to the matter. These included the newspaper story; Mn. Fricke a letter of resignation and letter seeking reinstatement; a further letter to Mr. Prowse from Mr. Fricke dated February 28, 1985; letters from the Arcoon Lodge, of February 15, 1985, supporting his reinstatement; letters from Mr. Ernest Ellis, Jr. and Mr. and Mrs. Ernest Ellis; a letter of April 14, 1985 from Betty Brosius also supporting Mr. Fricke's reinstatement, and an anonymous letter of February 8, 1985

> F. STARON DEC 3 0 1985

> > TSBSA007316

containing certain allegations of misconduct by Mr. Fricke. The latter letter was disregarded in view of the fact that it was not signed. The committee, through one of its members, made further inquiry of Mr. Stephen Schiller and Mr. Edward Quirk, Jr.

The committee, at its invitation, met with Mr. Fricke on May 28, 1985. Mr. Fricke told the committee that he had in fact signed a statement at the police station in connection with his 1966 arrest and subsequent conviction. He offered certain facts in mitigation. In answer to questions from the committee, Mr. Fricke agreed that he had worn clerical garb, as had been reported to the committee, but he stated that he was authorized by the Capuchin Order to wear such garb although neither a Roman Catholic nor a member of that Order. Inquiry of the Capuchin Friars at St. Pius X Church in Middletown, Connecticut disclosed that lay persons are not authorized to wear the external attize of the Order.

The committee discussed with Mr. Fricke not simply the matter of wearing clerical garb but many of the other items raised in the letters and in his explanation and presentation. It reviewed as well his career and accomplishments in Scouting.

It is the conclusion of the committee, based upon the results of its examination, that Mr. Fricke should not be reinstated as a Scouter. The fact that his representation to the committee proved untrue should in and of itself demonstrate that he does not possess the requisive qualities to afford positive leadership to youth.

2.

TSBSA007317

While he has contributed to Scouting over the years and may well be ä decent citizen, it is the conclusion of the committee that he does not meet the standards of leadership required by Scouting.

Dear Ken:

Thank you very much for your letter of February 6 concerning Donald Fricke. appreciate the newspaper article and his resignation from Scouting at the present time.

I apologize that someone did not follow up on this case back in 1966. It was left hanging to indicate that the case had been heard and bound over to Superior Court. No future correspondence took place and nothing was indicated concerning any conviction or sentencing.

I hope we have no further problems but, please do not hesitate to contact me if I can be of any help. Enclosed is a credit notice for the registration fee and those issues of Boys' Life which have not yet been mailed. We have deleted the registration and the subscription to Boys' Life.

Let me know if we need to do anything further for you.

٥<sub>١٩</sub> Alfred D. Morin has just informed us that Donald Fricke, whom your council placed on the Confidential File in Outober 1966, is currently registered with Troop 708.

As you can see from the enclosed photo copy of the charter application, Mr. Fricke's status was given as "Re". Since we do not check "Re" Scouters against the Confidential File, we issued a certificate to Mr. Fricke. This points up the extreme importance of your registrar checking the status of every adult Scouter registered by your council. "Re" means same position, in the same unit as last year. Obviously, in Mr. Fricke's case, his status was not checked because he was last registered in Troop 707 and when he was placed on the Confidential File his name should have been removed from your (AR records. <sup>â</sup>iùy

We suggest you take immediate steps to remove Mr. Fricke from Troop 708 and recover his current registration certificate as quickly as possible. We have already deleted his name from National records. We also suggest you correct your registration procedures so that this sort of unfortunate occurance does not happen again. N NEW XXX
