SUBJECT: DON BRILEY

Dear Tom:

Thank you for the material you recently sent concerning the above named individual. His address and phone number is most helpful to us as we start a file.

We are trying to put together more information as we can, after receiving a copy of [redacted] letter to you. I am enclosing a Confidential Record Sheet which I would like someone to complete with as much information as is available, since he lives in your council territory. No doubt, someone knows the gentleman well enough to complete this form, so we can identify Mr. Briley should he attempt registration in some other part of the country.

If you have any other material that would help us to refuse registration please do not hesitate to send it.

Thanks again for your help.

Sincerely,

Paul Ernst, Director

TO: Tom Halazon

FROM: Richard E. Parker
Assistant Regional Director

I want to put in writing our conversation of yesterday concerning Don Briley who was the Scoutmaster approximately 14 years ago of Troop 359 and lived in the South Hills Section of Spokane.

Briley has now been accused of sexually molesting four people while they were in his Scout troop. This alleged incident took place about 14 years ago. The names of three people who were allegedly molested are: [REDACTED] and [REDACTED]. In checking your roster you advised me that Mr. Briley was not registered in Scouting. I would suggest you do some research to determine if he has any association with Scouting and I believe it would be in order if you gave his name to authorities in Spokane, should Mr. Briley still live in that area.

By copy of this letter, I am alerting Paul Ernst in our Registration Division to take appropriate action and since the allegation came from Sacramento, a copy of this letter will also alert Bob Mazzuca. Please advise Paul Ernst, Bob Mazzuca and me, if and when you find any information on Mr. Briley.
