Dear Anthony:

You did a good job of supplying us with all the information needed to keep Mr. Spear suspended from the Boy Scouts of America. We would not knowingly register him anywhere in the country at the present time.

We still need the Ineligible Volunteer Record Sheet, so we can identify Mr. Spear. This material is necessary if we are to be able to identify him anywhere in the country. Please complete this to the best of your ability and return it promptly.

Sincerely,

Dear Mr. Spear:

It has been brought to our attention that several serious charges had been brought against you by the People of The State of New York.

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a Region review committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely yours,

Sam Liebman
President
