SUBJECT: FRED MCFARLAND

Dear Chuck:

Thank you very much for the material which you recently sent. This is most helpful and will give us enough information to refuse registration in the future.

From the tone of your material, I assume there is to be no legal action against this individual. If any action does take place, we would like the outcome. In the meantime, we feel we have sufficient material to maintain a file and refuse registration anywhere it might be attempted.

Sincerely,

Paul Ernst, Director

Support Material for Confidential File

Executive, Mrs. Reese L. Gornham,
District Chairman, Droux over to his house on
Wednesday June 21 at approximately 5:05 PM.

SAT Down And Asked him to open Confidential
letter from Mr. Hanchey. After he reads letter,
I asked him if he understood the letter
And that he HAS every right to Appeal
this Decision to Council. As A Matter Of
Record, I made that statement 3 times.

It was my opinion And that to Mr.
Gornham that he wanted to get out of
Scouts All Together And this would be
a good Avenue. It is Also my opinion
that he does not fully understand the Allegations
put forward. I did not get into any details with
Mr. McFarland other than that the problem took
Place 16-18 years ago, because I do not know said details.

I personally feel he will not contest this
Action, but like I say I don't believe he quite understands
Everything. He just seemed very defeated.

Dear Mr. McFarland:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are enclosed.

Sincerely yours,

James E. Brown, Jr.
Council President
