Dear Parvin:

You recently sent us a Confidential Record Sheet for the above named individual, indicating that he had been convicted of child abuse in August, 1984. We appreciate this record sheet and the complete information which is listed.

We would like to know more about this conviction. Can you give us newspaper clippings, court records, statements that would substantiate some of this matter? This would then give us information which would be helpful in refusing registration anywhere in the country. We do notice he has moved on numerous occasions and this might protect some other council.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director
