Dear Dick:

Thank you for the material you recently sent concerning the above-named individual. This is most helpful to us in substantiating our refusal of registration attempts.

Mr. Gibson has been on our file since 1974. To our knowledge, we have not had him registered since that time. The material you sent just helps to substantiate our reasons for refusal.

RE: Gerald W. Gibson

Dear Paul:

Enclosed is a copy of a newspaper article concerning Gerald W. Gibson who is no longer associated with Scouting in our Council and, according to our records, has not been associated with the Council since 1974. Listed below is the registration record we have:

Eagle Scout - 10/3/60	
Assistant Scoutmaster - Troop 372	1960-1961
Member of Troop Committee - Troop 372	1965
Assistant Scoutmaster - Troop 372	1966-1967
Scoutmaster - Troop 385	1968 to 1974

The article, which appeared in the PHILADELPHIA INQUIRER on August 22, 1987, reports that Gibson was convicted in U. S. District Court in Philadelphia in February 1987 of using minors to produce sexually explicit material and transporting that material across state lines. He subsequently was charged by a Bucks County grand jury with eight counts of corruption of minors, five counts of indecent assault, and three counts each of sexual abuse of children, conspiracy, and endangering the welfare of children.

Please take whatever steps are necessary to make sure that this individual does not re-enter Scouting at a future date.

Thank you.

Best personal regards.

Sincerely,

Richard B. Marion

Grand jury accuses 2 Bucks men of sexually molesting seven boys

By John Hall
Special to The Inquirer

Two Bucks County men were accused by a county grand jury yesterday of sexually abusing seven boys over the last three years, ranging from taking nude photographs to bondage.

The two men, an engineer and a former vice president of a Bucks County industrial instrument company, befriended the boys and then photographed and molested them, according to the grand jury presentment. The boys were between 9 and 14 years old, the presentment said.

The men, Paul C. Waser, 49, of Upper Southampton, and Gerald W. Gibson, 45, of Morrisville, are in a federal penitentiary. They were convicted in February of interstate transport of child pornography.

U.S. Customs agents began investigating the two men last year after intercepting four rolls of film that

they allegedly mailed to Florida for processing. The photographs, taken during a West Virginia camping trip, included sexually explicit pictures of a 9-year-old Bensalem boy, said Special Agent William J. Shields.

A subsequent search of the men's homes uncovered thousands of slides depicting nudity, bondage, sadomasochism and explicit sexual acts as well as pornographic books, videos, handcuffs, leather manacles and literature from a man-boy love association, Shields said.

The federal investigation led to a five-month county grand jury investigation.

The grand jury recommended that Waser, a former vice president of Princo Instruments Inc. in Southampton, be charged with four counts of sexual abuse of children and three counts each of conspiracy, corruption of minors and endangering the welfare of children.

It also recommended that Gibson, a former engineer with the same company, be charged with eight counts of corruption of minors, five counts of indecent assault and three counts each of sexual abuse of children, conspiracy and endangering the welfare of children.

In February, Waser and Gibson were convicted in U.S. District Court in Philadelphia of using minors to produce sexually explicit material and transporting that material across state lines, both violations of the federal Child Protection Act, according to Shields.

Waser pleaded guilty to a second charge of producing illegal material — photographs showing a naked boy restrained by leather manacles on his ankles and wrists. He was sentenced to 18 months in jail. Gibson received a one-year sentence. Both are in a federal correctional facility in Danbury, Conn.

CONF004850

DYKES_I_004818

August, 1973.

To whom it may concern,

My son, [REDACTED]

is a member of Scout Troop 385. In his past July he went to summer camp at Broad Creek, Ind. with the troop. While there, his Scoutmaster, Jerry Gibson, came to him in his tent and told him to undress and lie on his stomach on the cot. The Scoutmaster, fully clothed, then proceeded to lay on top of him and tickle his sides. [REDACTED]

told him to get off and get out of
his tent. Jerry got off and then
left the tent.

After learning of this inci-
dent and talking to several other
matters I learned that this
was not the first time for
Jerry Gibson. Other "parents" (?) do
not want to get "involved", so the
boys were just pulled out of T385.

I am requesting that the
Boy Scouts of America take action
this and name Jerry Gibson

dismissed from all activities concerning the Boy Scouts. I feel it is my duty and responsibility as a parent to report Jerry to the proper authorities.

I hope this incident does not sour too many people against the Boy Scouts. My own son will be returning to scouts as a member of Troop 477. Thank you for reading my letter.

Sincerely

Re: Gerald W. Gibson

Dear Paul:

We are recommending that Gerald Gibson be placed in the confidential file.

There are no newspaper clippings of any kind as this did not make the local papers. Nevertheless, it has been clearly established that Mr. Gibson did, in fact, practice deviant sexual behavior with boys - he did, in fact, admit to this aberrant behavior to the committee, to me, and to the police department. Conversations with boys corroborated the same information, and Mr. Gibson has agreed to undergo some psychiatric help with respect to overcoming this problem.

The facts, therefore, indicate the necessity for this action.

Sincerely,

Frank V. Savino
