Per regnest of Dove Bosher, I went to 54. A District Court to obtain a "Certificate of Conviction" on Herb Chase in order to substantiate our request to national to have Chase removed from the rolls.

The clerk that I talked to said that this case (solicitar in 1980) never came before a judge, instead the defendant was placed in a diversion program by the Prosecuting attorney office. If I wanted substantiation, would have to wait aday in order for the court office to retrieve the file and the clerk suggested I talk to the stoff in the Prosecuting attorneys office, where I might get the necessary information without having to wait a day.

her files and he (chose) was not in them, she soid she would get the file from archives and give it to Daniel Nickerson (the attout howling the diversion program) to decide to release the informaliable clerk suggested calling Nickerson tomorrow of termon (6/27) to find out if he would release the information, then we could come in a pick up a copy of the reest or have it mailed

Dear Dave:

We wrote to you on January 17, concerning the above named individual. We would like to have a Confidential Record Sheet completed so that we may identify Mr. Chase should he try to register in some other location. I am enclosing another form for your use.

We would like to know what has occurred in this situation. Has he been to trial and has sentencing taken place if he was convicted?

Please tell us if you have additional information so that we have a strong file and may refuse registration.

SUBJECT: Herb Chase

Dear Dave:

In the summer of 1985 we had some communication concerning an individual by the name of Herbert Chase who was registered in Troop 435. The communications indicated that he should not be registered with the Boy Scouts of America.

We wrote to you in August and had no response concerning this matter. We would like to know if we should drop this whole file or whether you have enough information to enable us to refuse registration should it come to us from any location in the country.

I am enclosing a Confidential Record Sheet which I would like to have completed if Mr. Chase should be placed on the file and registration refused. We would also appreciate any other information which you can provide to us which would strengthen our files.

Sincerely,

Paul Ernst, Director Registration, Subscription & Statistical Service

Dear Dave:

In late June we received a telephone call from your office concerning the registration of Herb Chase, Assistant Scoutmaster in Troop 435. At that time it was indicated that this individual should be removed from our registered adult file.

Since that time we have heard nothing else from you concerning this matter. We are enclosing a Confidential Record Sheet which we would like to have completed so that we may identify Mr. Chase should he try to register in another location.

We would also like to have more information if any has become available. If this case is still in a pending state, we will place this case in our open file waiting for further information.

Thank you for your help.
