Dear Tom:

In April there was a trial related to the above named individual. We would like the outcome of that legal action through newspaper clippings or court records.

The information which you send us would then complete this file and enable us to refuse registration anywhere it might be attempted.

Thanks for your help.

Sincerely,

FORT PIERCE — Jurors Wednesday heard the story of a 14-year-old girl who says a former Fort Pierce police officer seduced her into various sexual exploits.

According to the girl, Isaiah "Ike" Armstrong, had sex with her the first day they met in January. Her mother had sent her to the officer so he could help her work out problems with another 17-year-old girl in the neighborhood.

Armstrong, who resigned from the Police Department before he could be fired on March 5, did much more than get the two girls together, according to testimony in the first day of his trial.

The girl testified that Armstrong took part in a sexual encounter which paired Armstrong with the 17-year-old girl and another man with the 14-year-old girl in the same bed.

The other man, Quenton Johnson, backed up the girl's story with his testimony. Johnson has pleaded no contest to charges of lewd and lascivious acts for having oral sex with the younger girl.

Armstrong, a 3 1/2-year police veteran and member of the Neighborhood Oriented Patrol Unit, was arrested in February. He is standing trial on charges of having sex with the 14-year-old girl several times and having oral sex with the 17-year-old girl in the presence of the younger girl.

In opening arguments Wednesday afternoon, Assistant State Attorney Joan Manley described how "that man" met the 14-year-old girl through his work at the police substation on Avenue L.

"Her mom sent her to him, a man whom she recognized from church and a police officer who was supposed to be taking care of the situation," Manley said.

After the girl told Armstrong her problems, he told her "how pretty she is and what a big butt she has."

"On that first day they went to his house and there the very first sexual encounter occurred," the prosecutor said.

Armstrong's attorney Fran Ross, offered the jury virtually no defense but indicated the girls were lying.

"It only takes common sense for any juror to arrive at a verdict," she

said. "Most of the evidence will come directly from the alleged victims themselves. You listen and evaluate their testimony."

The 14-year-old detailed each alleged sexual encounter with Armstrong. At one point, both she and the prosecutor had tears in their eyes.

After meeting the officer for the first time, the girl said Armstrong offered to take her home but instead took her to his house.

"He changed out of his uniform," the girl said. "He laid down on the bed. He told me to take off my skirt before I wrinkled it. I laid down beside him. He told me to take off my panties."

The two then had sexual intercourse and oral sex, she said.

Another sexual encounter occurred the night she helped him clean up after a meeting at the police substation, she said. The next encounter occurred the next day, Jan. 21, after he called him and he invited her over.

Four days later, the girl said Armstrong took her and the 17-year-old girl to a park and out to lunch so they could settle their differences. At lunch, the girls steered the conversation toward sex, she said.

"He was getting kind of nervous and said don't discuss it while he was on duty."

He told the girls he could have oral sex with both of them and said he would tell their parents he was taking them to a basketball game that night, he said.

At Armstrong's house later that night, the girls drank beer and pina colodas. Armstrong and Johnson then came into the bedroom wearing only their underwear, the girl testified.

The girls were side by side in the bed when Armstrong had sexual intercourse and oral sex with the 17-year-old, and Quenton had oral sex with the 14-year-old, she said.

The final time the two had sex, according to the girl, was a few days after the tryst involving Johnson and the older girl.

The 14-year-old testified she called Armstrong and said she couldn't see him anymore because he was seeing other women.

Armstrong picked her up about 2:30 a.m. After they had sex, Armstrong asked her to perform oral sex on him, she said.

"He was telling me that if I was going to be his girl, I had to fulfill everything he wanted. He was telling me that he wanted me to have oral sex."

The girl's father had followed them to Armstrong's house and saw her lying on Armstrong's stomach in bed.

Armstrong is expected to testify today.
