RE: James Gates

Mary Lou Heink called at 10:15 A.M. and updated me on the James Gates case.

Mr. Gates was dismissed from Scouting in June of this year due to a claim that he molested or attempted to molest two boys while at Camp La-No-Che.

According to Mrs. Heink, Mr. Gates was temporarily confined to a hospital in Brevard County for observation. Mr. Gates is reportedly mentally retarded. Upon his release from the hospital, he was arrested and taken to jail in Lake County (in which Camp La-No-Che is located). He has since been released from jail.

Mr. Gates showed up at a Troop meeting this week and was chased away by one of the boys involved in the alleged molestation. Parents and Scouts are concerned and have called local police. The police reportedly say they can't do anything to make him stay away from the Troop meeting place.

Mrs. Heink (the Scouting Coordinator) will work with the church and the Troop leaders in trying to prevent Mr. Gates' appearance at future meetings.

Personal and Confidential

Dear Paul:

I am responding to your letter from September 19, 1991, in regards to the James Gates case. In the summer of 1989, Mr. Gates was arrested and charged with lewd and lascivious acts to a minor at our Scout camp in Lake County. We had been told by a representative from the court system in Lake County that Mr. Gates did serve a term in the County jail. He would not tell us of the dates of the incarceration but did insinuate that Mr. Gates has long since been released. We have asked officially for the Clerk of the Court to send us documentation so that we may close our file and we are still awaiting the reply. Some two weeks have passed since that and I've asked Field Director Joe Gaston to follow up with this personally.

We'll keep you updated as quickly as we get more information, but we did want to let you know that we are handling this matter.

Sincerely,

Hugh Travis  
Scout Executive

On Friday night, June 23, 1989, I was notified by telephone at my home by Paul Smith, Camp Director at Camp Lanoche, of a case of probable child molestation.

Paul informed me that an Assistant Scout Master by the name of James Gates had been accused of molesting two boys in his troop. The troop is 369 of Canaveral District.

Paul indicated that Mr. Gates seemed to be somewhat mentally handicapped, and also had a hearing problem.

Paul also advised me that the Scoutmaster of the troop, John Yantsios, had removed Mr. Gates from Camp Lanoche and had returned him to the home of Mr. Gate's parents.

Paul Smith did call Lake County law enforcement officers who arrived at Camp Lanoche and questioned Mr. Smith, the boys who had made the allegation, and upon his return, they also questioned Mr. Yantsios.

On Saturday morning, June 24 I attempted to follow Boy Scout policy by removing Mr. Gates from our membership roster by delivering to him the letter as prescribed by the Boy Scouts of America. I discovered that Mr. Gates was not registered with the Boys Scouts of America in any position. Attempts to contact the District Executive, the Scouting Coordinator for Troop 369, the Troop Committee Chairman for the Troop, or Scoutmaster Yantsios were unsuccessful. Since I had no address it was not possible for me to contact Mr. Gates personally and further I had been advised the night before that he had not returned to his home but rather to the home of his parents.

Later, on the afternoon of June 25th, I did speak with Scoutmaster Yantsios by phone and he confirmed that Mr. Gates probably was not registered with the Central Florida Council as the Assistant Scoutmaster. He further indicated that he would assure me that Mr. Gates would have no contact with the troop and would not be allowed to continue his involvement. Mr. Yantsios further assured me that he would provide to me at the very earliest opportunity the application that Mr. Gates had completed for submission to the position of Assistant Scoutmaster in order that we might have that as a part of our records.

**"Launching a New Era!"**

On Monday, June 26, 1989 I discussed the matter with our Council President, Don Asher, and again with Paul Smith, our Camp Director.

On Tuesday, June 27, Mary Lou Heink, Scouting Coordinator for Troop 369 called me to offer any assistance she might be able to provide and further to assure me that Mr. Gates was not active with the troop.

She did indicate that she had signed Mr. Gate's application as an adult leader but that she had not met him. He had been recommended by Mr. Yantsios, and in a rather large troop of so many leaders you assume that he had been interviewed by proper persons of the troop committee and that he would be a welcome addition to their troop leadership corp.

I am happy to report that all members of the troop have been very cooperative in working with the Council in bringing this matter to a conclusion. Since I have not yet received the application that Mr. Gates filled out to become an Assistant Scoutmaster, obviously I cannot send you the copy that you need for your records. I will forward that to you immediately upon receipt from Troop 369. Since Mr. Gates is not a Scout leader, obviously we cannot remove him from registered status. I am preparing a letter to be sent to Mr. Gates advising him that his registration will not be accepted and will forward a copy of that to you as soon as I obtain an address for Mr. Gates which I will do from the application that he submitted to Troop 369.
