JAMES MICHAEL LEMP  
CHRONOLOGY

On 11/8/87, I was informed by Steve Evans (District Executive) that "the new Cubmaster of Pack 13 had been investigated and was found to be a child abuser". Steve indicated that he had received this information from Ron Luebben (Council Commissioner) and there might be a meeting tonight (11/8/87) with the leaders from the church that charters the pack.

I then called Ron, who confirmed Steve's information and indicated that "he found out about it from Bob Muske" (Pack 13's Unit Commissioner).

I then called Bob, who confirmed Ron's information and indicated that he "got the information from Marv Wiedemer" (Pack 13's Committee Chairman & Troop 13's Scoutmaster).

I then called Marv, who confirmed Bob's information and indicated that he "had heard it from Harry Smith" (Webelos Den Leader and former Pack 13 Cubmaster).

I then called Harry, who refused to give any information on the phone, but indicated that he would be at the meeting and would discuss this matter at that time.

I then informed Parvin Bishop (Area #5 Director, North Central Region) and Carl Wetzel (Council President).

At 7:00 P.M. on 11/8/87 a meeting was held at St. Elizabeth's Church (and school) with Ron Luebben, Bob Muske, Marv Wiedemer, Harry Smith, [REDACTED] (father of another boy in the Pack), Jim Blankenship (Pack 13's Assistant Cubmaster) and myself in attendance.

Following introductions, Harry indicated that [REDACTED] (mother of another boy in the pack), had been approached by "another woman", who had remembered something about Mr. Lemp. Sam (also an auxiliary police officer in Granite City) varified Mr. Lemp's record and called Jim B. with the details.

CONF014318

I shared the BSA policy regarding child abuse and standards of leadership with those in attendance. It was decided that the committee(s) would ask Mr. Lemp to resign and if he did not, a letter from the Council President would be hand delivered suspending his registration pending an investigation.

On 11/9/87 Marv, Harry, and Jim B. met with Mr. Lemp, who (according to Marv) told his side of the story and indicated that he had plea bargained to "solitation of a minor" per advise of legal.

On 11/10/87 Marv shared with me the afore mentioned meeting and consulted regarding future direction. I called Paul Ernst (National Registrar) with an update and we agreed that Mr. Lemp did not meet the BSA standards of leadership. I then called Marv and advised him to seek Mr. Lemp's resignation.

Late on 11/11/87 Marv accepted Mr. Lemp's resignation.

On 11/12/87 Marv presented me with documentation of Mr. Lemp's resignation. Marv and I updated the charter renewal for Pack 13 that had not yet been transmitted, deleting Mr. and Mrs. Lemp (she had indicated to Marv that she would resign if he did) and I instructed our Council Registrar to delete Mr. Lemp from Troop 13's charter due to his resignation. I then updated Paul, completed the confidential report, and informed the proper parties regarding the resolution of this matter.

On 11/13/87 documentation was mailed to the National Office and a copy was placed in our safe-deposit box under "red-flag cases".
