Dear Dave:

In July, we received information from you concerning the above named individual. I believe we have everything we need, except for the outcome of the legal action.

We would like to have a newspaper clipping, court record, or other material indicating the outcome of the legal action against Mr. Saunders. Once we have this, we should have a complete file and be able to refuse him registration anywhere he might attempt it.

Thanks for your help in completing this file.

Dear Dave:

Earlier in the summer, you sent us material on the above named individual. This indicated that he had been arrested and charged with indecent assault and corrupting the morals of a minor. We wondered if the legal action had now been completed, so we could close this file. I know these things sometimes take a long time, but perhaps in this case the legal system moved swiftly.

Thanks for your help.

Dear Mr. Saunders:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are enclosed.

Sincerely yours,
