SUBJECT: John J. Korman

Dear Carlos:

I really need some more information concerning the above named individual. We have adequate documentation for refusing registration anywhere it might occur, but have difficulty in identifying Mr. Korman.

The confidential record sheet did not indicate anything except his name and address. We would like information concerning his nationality, his date of birth, his race, and some personal characteristics if at all possible. This information would enable us to identify Mr. Korman should he attempt registration in some other location.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear John:

I appreciate the confidential record sheet which was recently sent to us for the above named individual. We do need more information, however, which will help to substantiate our refusal of registration. There is no problem with the information given, but I would not be able to identify Mr. Korman should a registration come to us.

Can you not give us his nationality, or race, his approximate age, and any other pertinent information which would help in the identification? This is most important if we are to have a complete file and be able to refuse anywhere in the country.

Thanks for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Dear Paul,

I recently received a call from the County Probation Office of Middlesex County, New Jersey, regarding a man who has been convicted of carnal abuse of children. While being questioned, the man told the investigators that he is an Assistant Scoutmaster. They called to verify the story and to warn us of a potential problem.

The call came from Mr. V. Waranowicz of the Probation Office (Phone [REDACTED]). He called about:

Mr. John Joseph Komman  
[REDACTED]  
Middlesex, New Jersey

He is not currently, nor has he ever been registered in this Council. I checked with the Thomas A. Edison Council, our neighbor, and they say he isn't registered.

I write so that he can be entered into the confidential file. I would then suggest that his name be checked against registration records of other New Jersey Councils.

Sincerely yours,

Donald A. Watt  
Scout Executive

Dear John:

We appreciate your phone call of October 13, concerning the above named individual. You indicated that he had been convicted in 1977 for a carnal offense. Then, at a later, time he was convicted of assault and is now on probation.

At the present time, we do not find Mr. Korman on our Confidential File or registered with the Boy Scouts of America in any position. We do feel, however, that he should be placed on the Confidential File to protect any councils in the future where he might attempt to affiliate.

I am enclosing a Confidential Record Sheet which I would like to have completed to the best of your ability. Any newspaper clippings, court records, or other material you could give us which would help to substantiate these charges would be most helpful.

Thanks again for your help in bring this matter to our attention.
