November 13, 1989

Jacksonville, Florida 32207-7824

Dear Mr. Rivers:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Michael A. Jennings

Sincerely yours

Vice President District Operations

November 17, 1989 time 1:30 p.m.

John Duncan and Steven Moore traveled to the office of the Northeast Florida Regional Planning Commission, building number 7, in the Deerwood Complex. We entered the lobby area of the central building and went into the offices of the Planning Commission to ask to see Mr. John Thomas Rivers. John Rivers came to the reception area and invited us outside to the lounge area in the entrance way to the building.

I discussed the Boy Scouts of America's recent concerns in Youth Protection and the changes in procedures that have happened in the last couple of years. I called Mr. Rivers attention to the fact that concerns had surfaced around him about 1982 and 83 and were sufficient for us to request that he not seek registration in the Boy Scouts of America. Mr. Rivers expressed concerning that he thought the records for all of these issues were sealed and stated that he would talk with his attorney about access to such records.

Because there were people passing back and forth in the immediate vicinity, I did not read the letter to Mr. Rivers, but gave it to him to read. Mr. Rivers read the letter and returned it to me stating that he did not need to retain a copy of the letter. Mr. Rivers obviously was not happy with the discussion and he was not outwardly hostile or aggressive nor did he make any statements of any anticipated actions. We shook hands and departed.

Steven K. Moore Director of Support Service 10/15/89

Cathy Connelly, Field Director of North Florida Council, raised the question of child abuse allegation, sometime in 1982, by John T. Rivers, while he was associated with Pack 139.
