SUBJECT: Joseph Phiel

Dear Carlos:

I received information last October related to the above-named individual. I have written to you three times, with no response, asking for more information so that we could set up a confidential file.

I am enclosing another Confidential Record Sheet which I would like to have completed so we may identify Mr. Phiel should he attempt registration at another location. We would also like to have a copy of an application which would give his signature as this aids in the identification process.

Please send us any newspaper clippings, court records, or statements which will help to substantiate this refusal of registration. We must have this material if we are to keep Mr. Phiel on our confidential file.

Please call us if we may be of any help to you.

Sincerely,

Paul Ernst, Director

Dear Paul:

I have no further information regarding this individual since the incident was kept out of the press and I have no knowledge of any court proceedings.

We have not been asked by prosecutors to testify in any case. We are trying not to contact the family for additional information so as not to rehash the case. We visited the family early on and the meeting resulted in positive results. We do not want to jeopardize our situation now. Keep Mr. Thiel out of Scouting. We have.

Sincerely,

Carlos Paulino

Please send any newspaper clippings or court records which you can secure, if available.

Dear Carlos:

We received information in early October related to the above-named individual. I immediately wrote to you and asked that you send us a Confidential Record Sheet so we could identify Mr. Phiel should he attempt registration at some other location. I am enclosing another sheet for your use. Please complete this with as much information as is available so we may be able to make accurate identification.

I would also like newspaper clippings or court records related to the arrest which was made for sexual abuse. We must have the outcome of the legal action and any sentencing to substantiate our refusal of registration attempts anywhere in the country.

Please let us know if we may be of help to you.

Dear Carlos:

Thank you for your letter of November 12 concerning the above named individual. The Confidential Record Sheet and the letter will be helpful to us in refusing registration of Mr. Thiel at any time.

We believe we have enough information to place Mr. Thiel on our confidential file but we would like the final outcome of any legal action. Please keep us informed as the case comes to trial and the final disposition is reached. This will strengthen our file so that anyone in the future would have the necessary information.

Thank you for your help in protecting the youth of America.

CONF013085

November 12, 1987

Mr. Paul Ernst, Director
Registration Service
Boy Scouts of America
1325 Walnut Hill Lane
Irving, Texas 75038-3096

Dear Paul:

Joseph Thiel, who served as Assistant Scoutmaster for Troop 223, was arrested by the N. J. State Police in Sussex County and is being accused of sexually molesting Scout [REDACTED] of Troop 7 ([REDACTED]), while the boy was camping as a provisional camper with Troop 222 during summer camp.

The N. J. State Police Detective handling the case (Detective Pat Kane) - Telephone #201-347-1000 - has not given us any details about the arrest because of rules of confidentiality. However, his arrest and the incident are confirmed. Troop 223 independently dismissed Mr. Thiel from any Scouting role in their unit.

Our Council President and myself visited the parents of [REDACTED] and followed the procedures for visitation under the circumstances. The family and son appeared to be in good spirits.

We have not been informed of court dates, news articles or any other communications with more details. We have not been cited to appear at any legal hearings or to give depositions. Our staff was not even questioned on the matter.

Mr. Thiel was arrested after the troop left the camp, since the accusation was made after the troop's return home and he apparently confessed.

We recommend immediate suspension of membership at all levels for Mr. Thiel.

Sincerely,

Carlos Paulino
Scout Executive

Dear Joe,

We have just been informed by Thomas A. Edison Council, BSA, about the recent incident at KMSR Summer Camp and about your subsequent guilty plea. Because of these charges, we regret to inform you that you will not be allowed to return to Troop 223 nor will Council allow you to remain in Scouting.

We are sorry this has to happen, but under the circumstances this is the only course of action available to us. We enjoyed having you as a part of Troop 223 and if we can help you in any way as friends, please let us know.

Yours truly,
