Dear Bob:

We really appreciate the information you recently sent. This completes our file, and will give us all the material necessary for refusing registration should it be attempted at any time in the future.

We wondered if Patti Mattice should be placed in the Ineligible file. If there is any concern that she might try to register at a later date with the Boy Scouts of America, then I think we should place her on the file at this time.

I am enclosing an Ineligible Volunteer Record sheet should you need one. Please complete it, and we will then use the material from the file on Kenneth to reproduce it for Patti's file, if you think she should be placed in our system.

Thanks for your help.

Sincerely,

Paul Ernst, Director

SUBJECT: KENNETH MATTICE

Dear Bob:

We appreciate the Ineligible Volunteer Record Sheet and the statement that indicates that this individual had sexually abused [REDACTED].

Can you get us statements from anybody who can document the abuse which took place? This is most helpful if we are to have a strong file.

If there is to be legal action, the outcome of that action would be most helpful.

Thanks for your help.

Dear Mr. Mattice:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We understand that you have severed all relations with your local Tiger Cub Group and we request that it remain this way.

You should understand that BSA membership registration is a privilege and is not automatically granted to anyone who applies. We reserve the right to suspend registration whenever there is concern that an individual may not measure up to the high standards which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

Robert M. Salsar
