N.Y.

On July 25, 1977 and until August 4, 1977 I went camping to Nova Scotia with a Mr. Zambini and two friends, [Redacted] and [Redacted]. Mr. Zambini had bought beer, wine and Playboy magazines. The Playboy magazines we had picked up at Mr. Zambini's house. Mr. Zambini had me go to his home and pick up the Playboy magazines saying that the paper bag holding the magazines had my name on it. When I picked up the bag I did notice it had my name on it.

About the third night of camping Mr. Zambini who I was sharing a sleeping bag with, both he and I woke up in the early morning about day break. Mr. Zambini was sleeping with my private. He handed me a Kleenex and told me to roll over and go back to sleep. About 7 days after this Mr. Zambini apologized to me. I believe because I didn't talk to him. I told my other friends what had happened and to stay away from Mr. Zambini he was queer. On the return home Mr. Zambini had me drive the car several times.

I have read this statement (had this statement read to me) consisting of 2 page (s) and the facts contained herein are true and correct.

during one trip. He also would sit next to me when I was driving and put his hand on my leg. I would push his hand away. He made no passes toward my friends that I am aware of. Mr. Zambin knew I was 15 years old and that I would be under age to drive a car. I believe I drove a total of about a 1,000 miles. I explained I was afraid to drive and get caught. R.T.N.
