Dear Floyd:

I am really anxious to close the file on the above-named individual. You sent me information, in August of 1986, indicating that Mr. Cohoon had been bound over to stand trial. We have heard nothing from you since that time even though I have written several letters.

We really need the outcome of the legal action if we are to have a complete file and refuse registration anywhere Mr. Cohoon might attempt it.

Please send us newspaper clippings or court records which will substantiate our refusal of registration.

Thank you for your help.

Sincerely,

Paul Ernst, Director

Dear Gene:

We received information in 1986 concerning the above named individual. This came to us from the Lake Huron Area Council, No. 265. At that time, it was indicated that Mr. Conoon had been registered as a District Committee Member in that council.

We have not received the final disposition of this case through newspaper clippings or court records. This information would substantiate our registration refusal and complete our file. We have everything else we need.

We would appreciate your help in securing this information.

Sincerely,

Paul Ernst, Director

Dear Floyd:

I am sure that any legal action which should have taken place has now been completed related to Mr. Cohoon. We would really like to know the outcome of this legal action so that we can finish this case and put it in our permanent confidential file.

Is there nothing you can send us from the court or newspapers that would substantiate our refusal of registration by giving us a conviction and sentencing. Please let us know if you can help us complete the file at this time.

Let us know if we may be of help.

Dear Floyd:

I have tried for a period of time to get information from you concerning the above-named individual. I know that sometimes the "wheels of progress" are slow in the legal system, but I would like some information concerning whether or not this trial has taken place and the outcome of the legal action.

We really need the final disposition if we are to maintain Mr. Cohoon on our file and refuse registration should another attempt be made.

Let us know if we may be of help to you.

Thank you for the information which you have previously sent related to this individual. We now really need to know the outcome of legal action which has taken place. If the trial has been completed by this time, we really need the conviction and sentencing. I know it sometimes takes a long time for cases to get to trial, but I wondered if the case had now been completed related to the above-named individual. If there has been a trial and the sentencing has taken place, we would like to know what this is to complete our file. This will give us all the information we need for having a complete file and for protecting the youth of America.

Please give us as much detail as possible, so that we will have adequate substantiation for future refusal of registration attempts.
