CONF005774

RECEIVED 11/17/1981

Mr. Harvey Mortensen,

I am writing to you in response to your letter of condemnation sent to Mr. Leroy Hamblin. In your letter you suggest that it is a privilege to serve in a leadership position with the Boy Scouts of America. Certainly you cannot be so naive as not to realize that the primary reason that most of the local leaders serve is due to religious obligation. Mr. Hamblin has made a sincere effort during the past few years to put his life in order and to mitigate the effects of his grievous sin. A part of Mr. Hamblin's religious obligation to which he is committed and to which he has reaffirmed his commitment is to provide service when requested by his church leaders.

Mr. Hamblin neither requested nor sought after his appointment to the position of Webelos den leader. He agreed to serve in this position when I requested him to do so a few weeks ago. In retrospect, I did not misjudge Mr. Hamblin but I did misjudge the response of one of the parents of the boys that Mr. Hamblin would serve. I take responsibility for this error in judgment. I also failed to foresee the ignorant, self-serving and self-righteous manner in which you and your organization would respond to this appointment.

Mr. Hamblin is innocent of any offense in his response and his service that he has provided. Mr. Mortensen, you on the other hand have libeled and slandered Mr. Hamblin, and offended by your response all the recipients of your adulterant letter. Your position of responsibility does not include the right or responsibility to promulgate false and evil rumors, or to offend innocent people.

In keeping with the scouting virtues of kindness and courtesy, you simply could have pointed out to us that in keeping with BSA policy or because of BSA liability problems that you could not permit Mr. Hamblin to serve in a scouting function. Instead, you elevate yourself to the position of judge, jury, and prosecutor — or should I say lynch mob — in falsely condemning Mr. Hamblin without giving him a chance to defend himself. Mr. Hamblin has never attempted to hide his legal record from you. He had only very recently been called to his scouting position, and his registration was being prepared in conjunction with our rechartering effort.

In keeping with the high ideals of scouting to which you profess, Mr. Mortensen, you owe a complete and sincere apology to all recipients of your wicked letter. I sincerely hope that your integrity is sufficient to allow you to correct this gross injustice.

Sincerely,
Dale D. Fournelle

Dear Mr. Hamblin:

It is important to do things with the right spirit. Please accept my apology if my first letter was conveyed in the wrong spirit.

I would certainly like to wish you the best in your desire to build and improve your life. However, what was conveyed to you in my first letter had to be done under my training, instruction, and commission as Scout Executive of the Lake Bonneville Council.

Once again, please accept my apology.

Sincerely,

V. Harvey Mortensen

CONF005776

February 21, 1990

Mr. Leroy Hamblin

Kaysville, Utah 84037

Dear Mr. Hamblin:

We have received complaints that you are serving as a Webelos Leader in Pack 441, Kaysville 7th Ward, without having completed the registration form to serve in that capacity. It is further alleged that you have not filled out that request to register with the Boy Scouts of America because of your arrest record.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

After careful review of your record before the Second Circuit Court in Layton, Utah and the Second Circuit Court in Bountiful, Utah, we have decided that a request to registration with the Boy Scouts of America would be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter explaining your version of the facts supporting your claim that you should be allowed to register with the BSA. The procedures for a review of this decision are attached.

Sincerely,

V. Harvey Mortensen
Council Scout Executive

ATTACHMENT TO LETTER

The following information is provided should you desire a review by the Western Region, BSA, of the decision to deny your registration.

1. Within 60 days, you must request in writing a review of this decision. Your request should be sent to the regional director, Western Region, BSA. In your request you may include your version of what occurred in support of your claim that your registration should not have been denied.
2. Upon the receipt of your written request, a committee will be appointed to review the situation.
3. You may attend the review hearing, but it is not adversarial in nature and neither the committee nor you will be represented by legal counsel. 4. The committee will review the facts as presented, and may interview any persons whose testimony might assist them in arriving at a correct decision.
5. You will receive a letter setting forth the decision of the committee.
6. If you disagree with the decision of the committee, you may request a review of this decision by the National Council of the Boy Scouts of America.
