Dear Ronnie:

We appreciate the material you recently sent us concerning the above named individual. This is most helpful to us in starting a file which will lead to future registration refusal.

We are enclosing a Confidential Record Sheet which we would like completed with as much information as you have available. Please send us a copy of a paper with Mr. Pace's signature as this aids in the identification process.

If legal action is to be instituted, we would like to have the outcome of this legal action. This would strengthen our file and enable us to refuse registration anywhere in the country.

Thanks again for your help in protecting the youth in America.
