SUBJECT: Mark Strobel

Dear Ted:

This is a follow-up to our previous communication concerning the above-named individual. I really need more information if we are to have a strong file and be able to refuse registration anywhere Mr. Strobel might move.

Since it was indicated that he had been convicted of sex abuse charges, please give us a copy of the court record or newspaper clippings which would substantiate this. This would then give us the information which is necessary for completing our file.

Thank you for your help.

Sincerely,

Paul Ernst, Director

Dear Ted:

I appreciate the information you secured concerning the above named individual. This is helpful, and enables us to start a file which will lead to refusal of registration attempts.

According to the original phone call we received, it was indicated that Mr. Strobel had been convicted of sex abuse charges. Can you give us any newspaper clippings or other records which would give us the conviction? Can anyone go through the police files and get this information for us. This certainly would strengthen our file.

Thanks for your help.

Sincerely,

Paul Ernst, Director
