Dear Sir:

Thank you for your response to our identification questionnaire concerning Martin Boyle. From the information you provided it is certain that your Mr. Boyle is the same individual as one on whom we have information. We therefore regret to inform you that we cannot accept Mr. Boyle's application.

When informing Mr. Boyle about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Boyle should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$2.00. Please delete Mr. Boyle's name from your records.

Dear Howard:

As suggested by Region Two, I'm passing along the information I have concerning an incident that occurred in our Nava-Len District (Sullivan County).

Scouters in the area have indicated that Martin Boyle comes into the area frequently to help Units on week-end campouts. They claim he had been introduced to them by some Scouter. This is quite vague and the answer probably will never be known.

I asked Ray Wiegand, our Executive Trainee to get a statement from the mother which is enclosed. In addition to the information in the letter, you should know that the incident was reported to the State Police by the boys. We have checked with the Police and they have the incident on record. Boyle had called back twice to see what had transpired as far as the State Police were concerned. He had claimed he was a Scoutmaster in his home area but in a later call to the Police admitted he was not registered. I had already asked Region 2 to check this prior to his call back to the barracks.

There is another incident that was apparently attempted, but that mother didn't want to cause any problem as she said nothing had been actually done.

We have notified our Scouters to use only their own know Unit people on their overnights. Boyle's name was not used at the time as we had to investigate the incident more thoroughly.

The State Police told Mrs. [REDACTED] that she would have to swear out a warrant against Boyle if she wanted to prosecute. She declined to do so. A neighbor had originally got her quite excited, but Ray's visit and the police got things on an even keel. Prompt action by Ray Wiegand was of much help. The incident is closed as far as we are concerned.

Regards.

Sincerely,

TS/MS/KS v. BOY et al. Cause No. 03-27-1749  
Produced Pursuant to Protective Order

In April, my two sons age 11 and 15 had gone on a campout with Boy Scout Troop # 200. They were at the Kulawenos Campsite.

While there during the night [redacted] 11 years old, started coughing. A Martin Boyle, supposedly assigned as look-out came into his tent and asked if he was alright [redacted] replied he was a little cold. Mr. Boyle told him to come out of the tent. [redacted]

thought he had a Campfire going so he went out. Then Mr. Boyle told [redacted] to get in his station wagon to get warm. There, Martin Boyle proceeded to hug & kiss [redacted] and put his hands inside [redacted]'s pants. About this time two other boys ([redacted] and [redacted]) came out of their tent, so [redacted] called to them. He got out of the station wagon and told the boys this man is crazy. (He also told [redacted] that if he was real cold he could take his clothes off. Skin Contact would make him warm). Later

when all the boys were up [redacted] told his brother and they reported this incident to the Scout Master when he arrived. It was also pointed out that he had made attempts to fondle two other boys the evening before.

Dear Jim:

This will confirm our discussion on the telephone concerning the problem of Martin Boyle, given address 16 Avalon Road, Newlett, Long Island, N. Y. I am sending a copy of this letter to the Long Island councils so they are aware of the situation. In my checking here is what I found:

1. He is NOT a registered Scouter in either the Suffolk County or the Nassau County councils.
2. He does reside at the address he provided and has an unlisted telephone number.
3. He is NOT on the Boy Scouts of America confidential file.

Would you write a letter to Howard Boyd indicating what happened and the events, particularly what the boys brother heard. This is sufficient to place him on our confidential file.

You are to be commended in your handling this situation.
