Dear Paul,

Enclosed please find information related to our telephone discussion on Friday, February 11th. As agreed, our case probably isn't strong enough to warrant permanent exclusion of Mr. Harkins from registration with the Boy Scouts of America. Probationary status is probably more appropriate.

If there are further developments, I will inform you.

Sincerely,

Dear Mr. Harkins:

We were recently made aware of a situation which has been substantiated by written statement. You have been identified as initiating and encouraging a minor to participate in an unlawful and immoral act.

Further, District Executive Richard Searle has discussed the allegations with you on two occasions and on neither occasion have you denied the act.

The Boy Scouts of America asks that you discontinue your involvement in all Scout related activities and strongly suggests you make no contact with any adult or youth in Cub Scout Pack 368 at La Mesa Elementary School in Albuquerque.

If you feel you have been falsely accused, you may contest within the next ten days by contacting me, Dean Lollar, Scout executive, Great Southwest Council, Boy Scouts of America.

Sincerely,

Dean Lollar
Scout Executive

Plaintiff's Exhibit 78

Page 15 of 16

February 1982

(520753)

I eventually learned from my [redacted] that he had indeed been subjected to sexual contact with [redacted]. The incident took course as a result of a [redacted] Scout Troop meeting held at my house, which [redacted] attempted to "help out", and which he subsequently failed to leave. I do not consider the impression, in fact, that he didn't have anywhere to stay.

Consequently, I invited him to stay at my house, not wanting to throw him out into the cold, as it was - this being in early November of 1982.

[redacted] son informs me - and I believe him because he would not know people did these things unless they had happened - that [redacted] spent that November night in the [redacted] bed, and that he ([redacted]) masturbated partially (pulling his pants halfway down), took [redacted] hand and placed it on his penis, and forced [redacted] to stroke the penis until [redacted] ejaculated. At that time [redacted] turned over onto his stomach and made the motions concomitant with bisexual intercourse on top of his [redacted] backside.
