SUBJECT: MICHAEL R. BROWN

Dear Ron:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director

Re: Troop 724, Constantia

To Whom it May Concern:

I feel it is necessary to record a past experience and to prevent future problems regarding the abnormal behavior of an Eagle Scout and now assistant scoutmaster by the name of Michael Brown.

During the fall Camporee of 1983 located at Camp Woodland I attended as a parent assisting the Scoutmaster. On that Saturday night I shared a cabin tent with Scoutmaster Rowe and Scout Michael Brown. During that night I was awakened by the attempts of Scout Brown to enter my sleeping bag with his hands. I shoved him away and asked what he was doing, I received no answer. The following morning I attempted to ask again what his problem was and he answered that he was an epileptic and sometimes had restless nights.

I have kept my suspicions to myself until this past week when a committee member mentioned that other more serious incidents have occurred regarding this person's behavior.

Please take action accordingly.

CONF002394

Boy Scouts of America  
Hiawatha Council  
Syracuse, New York

Dear Sirs:

My name [redacted] and I  
am Committee Chairman for Boy Scout Troop #724  
of Constantia, New York. A problem has arisen in  
our troop which needs immediate attention.

Enclosed you will find two letters  
detailing at least two instances in which an  
Eagle Scout, now Asst. Scoutmaster, has made  
advances towards other men in our troop. I  
was also informed two weeks ago of a situation that  
occurred three years ago between this same Eagle  
Scout who is now eighteen years old and a Boy  
Scout who was eleven years old at the time. This  
situation happened on a week long camp out. This Eagle  
Scout cornered this eleven year old boy and physically  
grabbed the boy by his private parts.

Because of this incident and the two statements  
enclosed I feel it would be in the best interest of  
the troop and the Boy Scouts of America if this Eagle  
Scout whose name is Michael Brown of the [redacted]  
in Constantia, New York be removed from the Boy

of this and immediate attention to  
this matter will be greatly appreciated. Thank you.

Yours in the Brotherhood of Scouting,

Committee Chairman  
Boy Scouts of America  
Troop # 724

PERSONAL AND CONFIDENTIAL

SUBJECT: Michael Raymond Brown

Dear Don:

We recently discussed Michael Raymond Brown and the potential confidential file case. I agree with you that this case is not too strong, since all we have are statements from some individuals which indicate that Michael Brown's judgement has been very poor in his relations with others. It is possible that this would be adequate to refuse registration, but I feel that it is a borderline situation. You certainly can refuse registration in your council, since he apparently is not accepted as a leader among the other Scouters in that particular area.

I would recommend that we place him on a probationary basis and try to refuse registration if possible, but at least inform the Scout Executive of any council where he may try to register.

If this is satisfactory with you, please let me know. In the meantime, if you can secure anymore information we would appreciate this.

Sincerely,

Paul I. Ernst, Director

Dear Don:

Thank you for your information concerning Michael Brown of Troop 724. It certainly sounds as if this young man has a problem in his relations with others.

It would be most helpful to have additional information if this can be secured. The information which you have presently sent us does not indicate that sexual acts of any kind actually took place.

I am enclosing a Confidential Record Sheet which I would like for you to have completed. If nothing else, we can put this person on what we call precautionary, and inform any Scout Executive where he might try to register. This would alert the council so that they could keep an eye on his activities.

Please complete the Confidential Record Sheet and let me know if you have additional information.

Sincerely,

Sometime ago we had some correspondence concerning the above named individual. I have not received the Confidential Record Sheet and wondered if you have had any success in getting the information which is requested.

I would also like to know if any other incidence has taken place which would help to substantiate our refusal of registration.

Dear Don:

I know how difficult it is to get everything done in a council but I really would like to close the file on the above named individual. If you could send us a Confidential Record Sheet, which you complete from your registration files this would be most helpful to us in identifying Michael Brown should he try to register.

I am sure we can make this into a precautionary case with just the facts we have and tell the Scout Executive of the potential problem Michael Brown poses.

If you have more information you can give us, we could possibly refuse registration wherever he might appear. Please let me know if we can be of any help. Call us on our WATS line if you would like to discuss this.
