Dear Mr. Straney:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the time of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for review are enclosed.

Sincerely,

John Maxwell  
Director of Field Service

Sam Houston Area Council, No. 576

PERSONAL AND CONFIDENTIAL

SUBJECT: MICHAEL STRANEY

Dear John:

We received word from your office in October, concerning the above named individual. At that time, it was indicated that this Webelos Leader, in Pack C2565, would not be approved by the Chartered Organization. It was indicated that he had a previous problem with child molestation.

I believe Mr. Straney should be placed on the Confidential File, so that he cannot register anywhere. I am enclosing a Confidential Record Sheet which I would like completed, so that we may identify him should he attempt registration in another council.

I would also like statements from individuals or a copy of a police record which would substantiate his previous problems. This would then give us adequate information for placing him on the file and refusing his registration in any council.

Please let us know if we may be of help to you.

Sincerely,

Paul Ernst, Director  
Registration Service

Mr Maxwell would like you to call him back and explain this situation: The Chartered organization wants to refuse a man because he states on his application that he has had a child molestation problem. The organization wants to refuse him but wants the Council to do it. How do they proceed with this.
