Dear Ray:

I really appreciate the Confidential Record Sheet you sent concerning the above named individual. This is most helpful to us and will enable us to identify Mr. Howard should he attempt registration in some other location.

We really need some document related to his conviction [REDACTED]. Can you provide me with newspaper clippings, court records, or other material which would substantiate this? The name of the court and the case number would also be most helpful.

Thanks for your help in completing this file.

Sincerely,

SUBJECT: PAUL WILLIAM HOWARD

Dear Ray:

We received a note from Joseph R. Patterson in December indicating that the above named individual should not be registered with the Boy Scouts of America. It was indicated in the note that he had been convicted of incest.

I am enclosing another confidential record sheet which I would like to have completed so that we may identify Mr. Howard should he attempt to register in any council. We must have this completed with as much information as is available to you. We would also like to have a document with Mr. Howard's signature as this aids in the identification process.

Please send us copies of newspaper clippings, court records, or other information which would substantiate the conviction. A complete file is necessary for our help in refusing registration.

Please help us complete this file at this time. The longer these situations drag out, the more potential there is for serious legal implications.

Sincerely,

Paul Ernst, Director  
Registration Service

SUBJECT: Paul William Howard

Dear Ray:

We received a note from your council in December related to the above named individual. I wrote to you in January and have had no response as of this time.

We must have a Confidential Record Sheet completed so we may identify Mr. Howard if he should attempt to register in another location. Please give us as much information as possible. We would also like a document with Mr. Howard's signature. This aids in the identification process.

We need copies of newspaper articles, court records, or any other information which would substantiate the conviction [REDACTED]. We must have a complete file if we are to refuse registration across the country since neither you or I may be in the same positions in the future and it would be very difficult to document this.

Please let us know if we can be of any help to you in setting up this file to protect the youth of America.

Sincerely,

Paul Ernst, Director
