Dear Bob:

I appreciate the material you recently sent. This is most helpful as we start a file which will lead to refusal of future registration attempts.

We would like a copy of a paper with Mr. Teel's signature, if you have this available. This aids in the identification process.

Do you feel you could get a statement from the girl friend that could be put in writing. This would strengthen our file and help us in the future.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Mr. Teel:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within sixty (60) days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for review are attached.

Sincerely yours,

Roger J. Castonguay
