Dear Paul:

The following relates to the alleged sexual molester, Kent Haytock.

On May 23, 1990 Office Manager, Judy Bartlett received a phone call from [redacted] at 4:35 PM. [redacted] reported that Kent Haytock allegedly sexually molested [redacted] some time in 1979 or 1980. At the time of the alleged incident, Kent was Scoutmaster of Troop 112, chartered to the Forest Hills Presbyterian Church and [redacted] was a member of Troop 112 and was age 13. [redacted] is a neighbor of and distant relative of [redacted].

[redacted] expressed her concern for her 11 year old son [redacted] who is a member of Troop 112. Kent Haytock is the Chartered Organization Representative of Troop 112 and was, according to [redacted], planning to go on a trip with the troop this weekend.

[redacted] had stated that Haytock has recently asked her son [redacted] age 11, to go along with him on a business trip for 2 - 3 days to Myrtle Beach. [redacted] expressed some concern that her son was asked without Haytock asking her or her husband.

As Scout executive I called [redacted] back on May 22 and she reviewed this information with me. I have followed our youth protection procedure by (1) informing the pastor of the Forest Hills Presbyterian Church, David Chadwick, (2) informing Council Vice President of Administration, Bruce Jamieson (3) notifying Paul Ernst, National Director of Registration of the allegation (4) suspending Kent Haytock's registration with the Boy Scouts of America and (5) reporting the allegation to Sgt. Piper Charles of the Youth Bureau of the Charlotte Police Department. Sgt. Piper has agreed to investigate the matter.

Kent Haytock's address is [redacted] Charlotte, NC 28220.

Paul, please advise us of further steps.

Sincerely,

Leroy Mayne

Mr. Kent Haytock

Dear Mr. Haytock:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee will be forwarded to you.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely,

Leroy Mayne

Dear Leroy:

Thanks for the material you recently sent concerning the above named individual. This is most helpful as we start a file.

I believe our file would be strengthened if you can get a statement in writing from [REDACTED]. This would give us something in writing rather than second hand written statements. I would also suggest that she put in as much detail as possible as to what actually occurred at that time. This would also help us.

If the police department turns up anything that is substantial, we would also like copies of that report. I believe this then will complete our file.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Leroy:

We appreciated the material that you sent us earlier this year, related to the above name individual. We still have not received an Ineligible Volunteer Record Sheet. I am enclosing one for your use at this time. Please complete this with as much information that you have available, so we can properly identify Mr. Haytock should he attempt registration in some other location.

We would also like to have knowledge of any legal action which may be contemplated. I know that the statute of limitations has probably run out on this case, but if any newer incidences have been reported, then these perhaps could be prosecuted.

We look forward hearing from you with any materials that you can provide, as this will help protect youths of America.

Sincerely,

Paul Ernst, Director

SUBJECT: Kent Haytock

Dear Leroy:

Thanks for your letter of May 25, concerning the above named individual. This is most helpful as we start a file which will lead to refusal of registration if the charges are documented to be true.

We would suggest you try to get a statement from [REDACTED] about what happened at the time of the molestation. This should be as descriptive as possible, so we have information that will substantiate the refusal of registration.

You might also ask the church to do a check of the individuals now in the troop to see if anyone has been molested who is presently active in the troop. Statements from this individual or the parents would be most helpful.

We will want an Ineligible Volunteer Record Sheet, so we can identify Mr. Haytock. I have enclosed one for your use.

If any charges are filed, naturally we would want newspaper clippings or court records substantiating that and also the outcome of the legal action.

Let me know if we may be of help in any other way.

Sincerely,

Paul Ernst, Director
