Dear Paul:

Your letter regarding the indictment against Robert A. Dittmar is still being handled by Montgomery County Children's Services. I have talked to Dean Sparks, Asst. Director of Montgomery County Children's Services, and he indicates to me that the parents of the children who were abused have decided not to file charges at this point. Children's Services feel that if the families wanted to pursue legal action that Dittmar would be brought to trial and convicted of sexual child abuse.

Dittmar is still living in Centerville, Ohio and is employed as a school bus driver for the Centerville School System. He is in no way involved in Scouting, I keep in touch with the Scoutmaster of Troop 236 as well as the pastor of the church.

Sincerely,

George F. "Bud" Frank, Jr.

Dear Bud:

I really hate to bother you again, but I have not heard from you since January when you sent us material related to the above named individual. At that time it was indicated that he had been involved with several youth in sexual abuse incidents.

We really need more substantiation related to the outcome of the legal action.

If there has been a trial, we would like to have newspaper clippings or court records that would substantiate that. The sentencing would also be most helpful to complete our file.

If we may be of help to you in any way, please let us know.

Sincerely,

Paul Ernst, Director

Dear Bud:

Thanks so much for the material you recently sent. This enables us to start a file which will lead to refusal of future registration attempts.

We would like the outcome of the legal action, once it has been completed. We believe we have everything else we need, but that would strengthen our file and enable us to refuse registration anywhere in the country it might be attempted.

Thanks again for your help in protecting the youth of America.

After careful review, I am submitting the name of Robert Dittmar to be placed on the National Council Confidential List.

Dittmar has been investigated by the Montgomery County Children Services and there is considerable evidence that he has been involved with several registered youth in several Scout Troops in the Miami Valley Council in sexual abuse incidents.

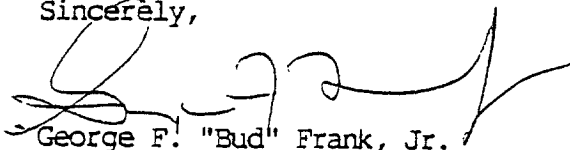

I have reviewed the allegations with Mr. Dean M. Sparks of the Central Intake Department of the Montgomery County Children Services, and he and the Miami Valley Council's legal counsel feel that immediate suspension of Dittmar's registration as an adult volunteer is warranted.

I have communicated directly with Dittmar, with Rev. Hard (Pastor of the United Church of Christ, chartered partner of Troop 236), the Troop Committee and selected officers of the Council.

Please find enclosed a copy of the letter from the Montgomery County Children Services, a copy of the letter that I personally handed to Robert Dittmar, and a copy of the press release.

If you have any questions, please feel free to call me or Mr. Dean Sparks at [REDACTED]

Dear Bob:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend or refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to Regional Director, M. Gene Cruse, within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

FOR IMMEDIATE RELEASE

Robert Dittmar's registration as an adult leader with the Boy Scouts of America was immediately suspended when Scouting officials were notified by the Montgomery County Children's Services agency that certain allegations had been made regarding Mr. Dittmar's leadership qualifications. He had been Scoutmaster of Troop 236, chartered to Christ United Methodist Church, Kettering since 1983.

Such swift action is just one part of Scouting's Youth Protection agenda. Child sexual abuse is a societal problem, but the Boy Scouts of America nationally and the Miami Valley Council locally have taken aggressive steps to ensure that the very best leadership is in place for their youth constituency.

Education regarding the detection and prevention of sexual abuse has occurred at all levels of the organization. The leader selection process has been strengthened for the chartered partner selecting leadership. Barriers have been created to prevent abuse such as mandating that two adults must be present at all times with youth and the youth members themselves are continually reminded to "yell and tell" in regards to inappropriate behavior.
