Re: Robert Stillwell

Dear Elder Lybbert:

I understand that a member of the Church by the name of Robert Stillwell is currently residing somewhere in Taiwan which is under your ecclesiastical jurisdiction. I am writing to provide you confidential information which suggests that Church disciplinary action against Brother Stillwell is indicated. Of particular importance in this regard is the statement of Geoffrey Lee Gunnerson, a copy of which is attached to this letter.

The following is a narrative of events which have transpired in this area of the Church which highlight the apparent transgressions Brother Stillwell has committed, the harm he has caused to at least one innocent church member, and the risk he may pose to members of the Church, others, and the Church's reputation where he is now residing.

In approximately 1987, Robert Stillwell was a member of the Central Park Ward, South Salt Lake, Utah Stake. For approximately one year, he served as a counselor in the Young Men's presidency and as an assistant scout master. In the South Salt Lake Stake, the scouting organization is carried out at the stake level and Brother Stillwell was involved with scout-age boys from the five wards which form the stake; however, Brother Stillwell's stewardship was only with the young men in the Central Park Ward.

During this time period, suggestions of problems with Brother Stillwell and the young men he was involved with were first raised by a mother of a young man in the Haven ward. She expressed her concern to priesthood leaders that her son was spending time alone with Brother Stillwell who was not her son's

priesthood or scout leader. The son was questioned, but did not admit to any improper actions on the part of Brother Stillwell.

Later in the same year, the scouts attended a summer camp at East Fork of the Bear River, Utah. At this summer camp, Brother Stillwell evidently made the acquaintance of scouts in a troop from another stake in the Salt Lake area. After the camp was over, parents of the boys in this other scout troop became alarmed when Brother Stillwell started coming to visit their boys, who lived a substantial distance from Brother Stillwell's neighborhood, trying to get their boys to go on outings with him. The parents notified scout headquarters of their concerns.

In response to these parents' complaints, the Boy Scout Council notified the Salt Lake County Sheriff's Office and requested an investigation. I was made aware through the council office that the Salt Lake County Sheriff's detective who investigated Brother Stillwell at the request of the Boy Scouts turned up some disturbing information. Undercover, the detective followed Brother Stillwell to homosexual bars where Brother Stillwell was observed associating with members of the gay community.

Based upon the information supplied to me by the Boy Scouts, I referred the matter to Brother Stillwell's bishop, David M. Carlson, to inquire into Brother Stillwell's suspicious conduct on behalf of the Church.

I understand that Bishop Carlson advised Brother Stillwell of the concerns which had been raised over his behavior. Reportedly, Brother Stillwell vehemently denied any wrong doing. In fact, I am told that Brother Stillwell acted quite indignant that he was even being questioned about such things. In addition to confronting Brother Stillwell with his rumored conduct, Bishop Carlson confidentially interviewed every Aaronic Priesthood-age young man in his ward. At that time, however, none of the boys who were interviewed admitted to any impropriety on the part of Brother Stillwell.

Bishop Carlson also had private discussions with each boy's parents, alerting them to the suspicions surrounding Brother Stillwell. As a result of one of these discussions, [REDACTED] the father of two boys in the scout troop, [REDACTED] and [REDACTED] revealed that he had caught Brother Stillwell in bed in the basement of his house with his son [REDACTED]. According to [REDACTED] both had their clothes on and they were able

Elder Lybbert ltr. cont'd.

- page 3 -

to explain the situation away to [REDACTED] satisfaction.

Based upon the suspicious pattern of possible impropriety with Brother Stillwell, he was released by his bishop from his callings with the youth; but because there was no direct evidence, at that point, that Brother Stillwell was sexually molesting young men, no church disciplinary action was initiated. Brother Stillwell was strongly cautioned by his bishop that his reported associations with young men were inappropriate and he was advised that he should cease to seek the companionship of young boys.

Not long after being released from his church and scout callings, however, Brother Stillwell's troubling behavior was again brought to light, this time by a seminary principal at the local junior high school. The seminary principal contacted Brother Stillwell's bishop, informing him that he had met Brother Stillwell who had come to him offering his assistance in running some athletic competitions.

The principal reported that Brother Stillwell was very persistent in his desire to help. The seminary principal said that he eventually accepted Brother Stillwell's offer but then became upset when he learned that Brother Stillwell was secretly visiting boys from the seminary and taking them alone on outings.

Once more, Brother Stillwell was confronted with this new information by his bishop. Again Brother Stillwell, personally, and through members of his family, implied that the bishop was conducting a witch hunt. Brother Stillwell's bishop repeated his admonition not to associate with young men. Some months later, Brother Stillwell left the stake and moved to Taiwan.

Since that time, Brother Stillwell has returned on occasion to his former ward. I understand that he is teaching English in Taiwan and that every so often he brings a group of children with him on trips to the United States. Recently, Brother Stillwell, both in person and through members of his family, contacted myself, his former bishop and other priesthood leaders in this stake in an effort to persuade us to go to the Boy Scouts on his behalf and get the restriction on his registration lifted.

I understand that based upon the investigation performed by the Salt Lake County Sheriff's detective, the Boy Scouts has banned Brother Stillwell from association with scouting. After

Elder Lybbert ltr. cont'd.

- page 4 -

consultation among those involved here in our stake we felt very strongly that we could not make a positive recommendation to the Boy Scouts. In fact our advice would have been to the contrary.

Finally, direct evidence of Brother Stillwell's sexual abuse of young men surfaced in a pre-mission interview with [REDACTED] whose statement is attached. [REDACTED] revealed that he had been sexually molested by Brother Stillwell on numerous occasions and that he had been embarrassed and frightened to come forward before. [REDACTED] also related that while Brother Stillwell was serving as a scout leader, he had coerced [REDACTED] and at least one other young man in the ward into drinking alcohol with him on more than one occasion.

[REDACTED] confession, combined with Brother Stillwell's highly suspicious conduct in the past, leads me to believe that he is a pedophile who preys upon young men. I have to assume that many other young men in this area have also been victim's of Brother Stillwell's perversion. I also fear that the list of victims may continue to grow in your area as my understanding and experience with pedophiles is that they continue their sexual abuse until they are caught.

[REDACTED] has suffered tremendously from Brother Stillwell's predatory behavior. I worry that yet unknown victims in my stake bear emotional scars as well. I am also fearful of the damage that Brother Stillwell may be causing to young men and to the reputation of the Church in your area.

I hope that you share my sense of urgency that this brother's transgressions be brought quickly to light. If you need any additional information please do not hesitate to call. My number is [REDACTED] you may also want to speak with Brother Stillwell's former bishop, David M. Carlson, at [REDACTED]. Please let me know what action is taken against Brother Stillwell and the results.

Cordially,

  
Lloyd T. Anderson,  
Stake President

[REDACTED] STATEMENT

I, [REDACTED] state that the following is true:

1. I first became acquainted with Robert Stillwell when he moved into [REDACTED], South Salt Lake, Utah Stake, where I lived with my family. Robert worked in the Young Men's organization and was my scouting leader.

2. When I was approximately twelve or thirteen years-old, Robert took the scouts in our ward on an overnight camp. During the night, I was awakened to discover that Robert had unzipped my sleeping bag and was fondling my private parts with his hand. I pretended to remain asleep because I was frightened.

3. After that, nearly every time that the scouts would have an overnight outing, Robert would repeat this behavior. This happened numerous times. He would fondle my genitals with his hands and sometimes also his mouth. I was both embarrassed and frightened to ever confront Robert about his actions and so I would just act like nothing had happened.

4. In addition to these experiences on church related outings, one night when I was about thirteen years-old, I was awakened to the sound of someone breaking into my house. I was frightened and decided to pretend that I was asleep. The person entered my room and I recognized that it was Robert. He then proceeded to fondle me as before. This pattern also was repeated numerous times with break-ins to my house.

5. During the time that Robert was breaking into my house, I decided that if I let him know that I knew he was in my house,

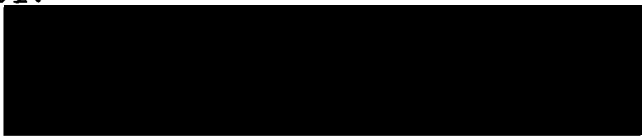

maybe he would leave me alone. I would sit up and ask him what he was doing in my house. He would then give me a story like he did not have a place to sleep and despite my requests that he should leave, he would insist on staying. When I had fallen asleep, or it appeared to Robert that I was sleeping, he would then take advantage of me.

6. These types of experiences with Robert persisted from the time I was twelve or thirteen years-old until Robert left for Taiwan when I was about fourteen or fifteen.

7. When I was sixteen, I went to stay for a time with Robert in Taiwan. I was hesitant to accept Robert's invitation to go to Taiwan with him because of his past behavior, but I had another friend going with me and I felt that I would be safe. For two or three weeks in Taiwan nothing happened. Then Robert again took advantage of me on a few occasions during the night.

8. In addition to these experiences with Robert of a sexual nature, on two or three other church activities, Robert brought alcohol along with him and pressured myself and at least one other young man into drinking with him.

9. I never told anyone about these experiences because I was ashamed and felt guilty and unworthy. These experiences damaged my self-esteem by making me feel that I was somehow responsible and that I had done something wrong. I would try to avoid dealing with the problem because it was too embarrassing and emotional. I tried to suppress any thoughts or feelings about what had happened to me.

SUBJECT: ROBERT D. STILLWELL

Dear Roger:

We are refusing the registration of Mr. Stillwell in Troop S0091. You recently send us a registration for him as the Scoutmaster of this troop.

Mr. Stillwell was placed on our Ineligible Volunteer File in 1987 while he lived in Salt Lake City. The birthday matches and we are certain that this is the same individual.

A credit notice is attached for the registration fee which was paid. You may wish to return this to Mr. Stillwell with a letter that indicates the national office refused his registration.

I am keeping the copy of the adult application for our files, since this will show us how he moves around to various places. This may be very helpful in preventing his registration somewhere in the future.

Thanks for your help.

Sincerely,

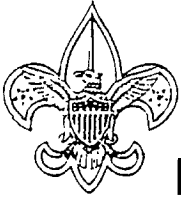

Paul Ernst, Director

Dear Paul,

I am enclosing a confidential record sheet on Robert David Stillwell of Salt Lake City, Utah. It is my feeling that Mr. Stillwell should not be involved in the Boy Scout program. He was brought to my attention by the father of a 13 year old boy who observed some very unnatural interest that Mr. Stillwell was demonstrating toward his boy and several of his friends. In checking with Mr. Stillwell's LDS Bishop I find that he has been accused of sexually molesting a boy by the boy and the boy's mother, but denied any such activity. The police record show him hanging around late at night in areas where deviants and perverts are commonly found. I believe his record of citations, the outstanding warrant that is now on him, and the \$1,500 contempt of court citation, should be adequate in keeping him out of the Scouting program.

I have visited with his LDS Bishop and he assured me that they would remove him from the Scouting program and any involvement with youth.

As concerning Gerald K. Jones who I have previously expressed concern about to you, he is not at this current time involved in Scouting and has moved from his prior address. I have talked with people who feel that he has a great deal of problems but I have not been able to get any substantiating evidence which we can tie down at this time.

Thank you for your assistance.

Sincerely,

Paul Ernst

Dear Paul,

I am enclosing a confidential record sheet on Robert David Stillwell of Salt Lake City, Utah. It is my feeling that Mr. Stillwell should not be involved in the Boy Scout program. He was brought to my attention by the father of a 13 year old boy who observed some very unnatural interest that Mr. Stillwell was demonstrating toward his boy and several of his friends. In checking with Mr. Stillwell's LDS Bishop I find that he has been accused of sexually molesting a boy by the boy and the boy's mother, but denied any such activity. The police record show him hanging around late at night in areas where deviants and perverts are commonly found. I believe his record of citations, the outstanding warrant that is now on him, and the \$1,500 contempt of court citation, should be adequate in keeping him out of the Scouting program.

I have visited with his LDS Bishop and he assured me that they would remove him from the Scouting program and any involvement with youth.

As concerning Gerald K. Jones who I have previously expressed concern about to you, he is not at this current time involved in Scouting and has moved from his prior address. I have talked with people who feel that he has a great deal of problems but I have not been able to get any substantiating evidence which we can tie down at this time.

Thank you for your assistance.

Sincerely,

*KHB*
