SUBJECT: COMMUNICATION CONCERNING DAVID BEHM AND ROBERT BURT

Dear Dick:

I received information in February 1988, concerning the two individuals listed above. It was indicated in a deposition by a youth member, that he accused both of these individuals of having sexual molested him.

I have written to Carl Jenkins, the Scout Executive of Catalina Council, on six different occasions, since that date, and have no response related to these two individuals. We really feel that it is most important that we settle this matter, so that we know whether they should be placed on the confidential file or not.

The information which was given in the deposition certainly indicated that they had taken some liberties which they should not have, and that they are not suitable as adult leaders.

We really would like to have some information so that we can close this matter and put them on the confidential file, or just cancel the case, if it can not be proven that this information is correct.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Carl:

You received a memo in February from Debra Duhs concerning a situation related to the trial and the deposition of [REDACTED].

I then wrote to you and asked for more information concerning the two individuals named above to see if we could determine if they should be placed on our Confidential File.

Although I have written several times, I have had no response from you related to this situation. I really would like to close this file in one way or another. In today's legal world, we really need to be very careful. If we have any substantiation at all, we should place these individuals on our files so that registration can be refused in the future.

Thanks for your help.

Dear Carl:

I do not know if we should just drop the two names, as far as follow-up, but I have communicated with you for several months related to these individuals. Since they came up in a deposition which was done of [REDACTED]. [REDACTED] indicated that both the individuals had molested him or attempted to at some time in his life.

Do you think we should place either one of these individuals on our Confidential File? I really would like to close this situation, since I first received information and communicated with you back in February.

Please let me know, if you can help me.

Dear Carl:

Information has come to our attention related to the deposition of [REDACTED] [REDACTED]. At this time he indicated that two Scouts in his troop had attempted to sexually molest him.

We would like for you to do some checking for us to determine whether you feel Robert Beahm and Robert Surt should be placed on our confidential file. We would like to know whether or not there is enough evidence to indicate that these individuals should be refused registration should they attempt it in the future.

We would also like to know if they are still both in your area of the country or whether they have perhaps moved to some other location. If we had those facts, we would be able to determine if they are registered at the present time.

Thank you for your help.

SUBJECT: SUBMISSION FOR CONFIDENTIAL FILE

From: Debra C. Duhs *dc*

To: Paul Ernst

Paul, the attached was taken from a deposition summary provided by our defense counsel. The deposition of [REDACTED] was taken as part of the pre-trial preparation as a result of the lawsuit initiated by the mother of [REDACTED] against Boy Scouts of America and the Catalina Council as well as Scoutmaster Cummings. Please prefer to your confidential file on William Cummings.

In his deposition, [REDACTED] has stated that two Scouts in his troop attempted to sexually molest him. He specifically named David Beahm and Robert Burt. These two Scouts were probably involved either in VFW Post 549 or Troop 729 out of the Catalina Council.

I am providing a copy of this memo to Scout Executive Carl Jenkins. Hopefully he can provide us with further information so that you can determine whether or not Robert Beahm and/or Robert Burt should be placed on our confidential file.

CONF017570

██████████ said that his behavior changed a great deal because of what was going on with Bill. He claims that he became "violent at school", whereas before he had never been violent. He said that he had always avoided fights. That is a lie and we have the records to show him that he is wrong.

Another scout also got involved in Cummings' recruiting. This was a David Beahm. ██████████ never actually saw Beahm being molested by Cummings, but he does believe it happened. ██████████ said that he and Beahm would be at Cummings' house at the same time.

He bumped into Beahm some years later, in December 1985 at the Swap Meet. Beahm was five years older than ██████████. He took ██████████ out to his car, and attempted to molest him. ██████████ slugged him and left. He said that Beahm is gay.

Early on, perhaps as early as August 1982, Bill Cummings made ██████████ swear on the scout oath, with his hands in a scout salute, that he would not tell anybody what they were doing. ██████████ seemed to get a little emotional when he said that he had kept that promise to Bill. He said that until Bill was arrested, he never told anybody what they had done.

Bill used pornographic magazines to encourage these kids. ██████████ said that he had Playboy, Penthouse and other magazines available.

With regard to ██████████, the homosexual that ██████████ moved in with in November 1987, this is a strange nuance in the case, and I am not sure what to make of it. Apparently, ██████████ has his first contact with ██████████ after ██████████ second hospitalization at Palo Verde. This would have been in December or January 1985/86. ██████████ was an orderly who would take blood. They became good friends. ██████████ claims that it wasn't until July 4, 1987, when he actually learned that ██████████ was gay. He said it occurred when ██████████ looked at a fellow across the street, as they were walking, and remarked that "he's cute." ██████████ inquired as to whether ██████████ was serious, and ██████████ asked ██████████ if he wasn't "gay?" He said that ██████████ thought ██████████ was gay, but ██████████ told him that he was straight. After that, ██████████ said that he and ██████████ continued to be good friends, and they would tease each other. ██████████ would point out "cute guys" and ██████████ would point out "cute girls" for ██████████.

Also in July 1987, ██████████ started attending a christian gay church. He liked the people there. He felt that they understood his problems and needs. He claims that he is straight and not gay. He did indicate that his mother accused him of being gay as early as 1986.

Back to David Beahm. During Bill Cummings' hospitalization in December 1982, there were several acts of molestation that Beahm allegedly perpetrated on [REDACTED].

[REDACTED] knows little about Bill Cummings' social life. He said that on one occasion only Bill said that he was going to take an old college friend, a lady, out on a date. He believes that Cummings wore a wedding band on his left hand.

Robert Burt, a scout you have heard about, was about eighteen years old when [REDACTED] joined the troop. Burt was active in the troop, although not well liked. Once before a winter camp, Burt attempted to molest [REDACTED], but [REDACTED] zipped up his sleeping bag and wouldn't let Burt in. He never saw Burt and Cummings together. Burt never molested [REDACTED]. Not until May of 1983, did Burt actually move in and live with Cummings. At that time, Burt's family was moving out of Arizona and Burt needed a place to stay. He thinks they lived together for about two weeks.

The big bomb shell came when I asked [REDACTED] regarding prior sexual molestation. It turns out that in 1979, prior to [REDACTED] that a friend of [REDACTED] at Davis Monthan Air Force Base made "advances" on [REDACTED] as a nine year-old boy. Apparently this occurred in the [REDACTED] home, while both [REDACTED] and [REDACTED] were outside. It happened on at least four separate occasions. On four of those incidents, this man masturbated [REDACTED]. On two of those occasions he also performed oral sex on [REDACTED]. That was when [REDACTED] was nine.

It also appears that when [REDACTED] was five or six, that he was also involved in some molestation. He is not sure who did it, but he knows that his mother's uncle's friend forced [REDACTED] to masturbate him. At this time that man also had his hand on [REDACTED] "privates." [REDACTED] also believes that [REDACTED] was molested at that time.

The third person to molest [REDACTED] was Bill Cummings.

I asked [REDACTED] as to whether or not he had told the truth in the hospital about [REDACTED]. As you know, [REDACTED] stated in the hospital that [REDACTED]. [REDACTED] said that was a lie, that he had made it up in order to get back at [REDACTED] who had "left him" at a time when he needed her support, that is, after the molestations by Cummings became well known, [REDACTED] moved out to live with [REDACTED]. [REDACTED] claims that he has told Dr. Maier that this was a lie and that it never happened.
