Mr. Robert Wagner

[REDACTED]  
Cocoa, FL 32922

Dear Mr. Wagner:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee will be forwarded to you.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Don Asher  
Council President

SUBJECT: ROBERT WAGNER

Dear Hugh:

In late 1989, we received information concerning the above named individual. At that time it was indicated that he fondled a Scout on return from a camping trip.

We have never received any statements from the parents or the boy for our file. If we are to make this case strong and be able to refuse registration in the future, we must have more substantiation.

We also would like a copy of the letter that was given to Mr. Wagner to suspend him from Scouting when this incident took place. We do not have a copy of that letter at this time.

If any legal action has taken place, we would also like that action for our file.

Thanks so much for your help in completing this matter, so that we protect the youth of America.

Sincerely,

Dear Ron:

I really hate to bother you again, but it has been almost a year since I heard from you concerning this individual. You had indicated that information was turned over to the state related to alleged fondling of a Scout.

We really would like to have the outcome of the legal action. Could you send us a letter that indicates what has transpired? If the action was dropped, we need this in writing so that we may complete our file.

### Robert Wagner Update

Tom Nelson, District Executive and Vice Codes, DFS delivered information received by Jim Davis (SM Troop 701) to HRS. Information was given to Linda Waller (business card attached).

We were unable to contact Robert Wagner. Not home and phone was off the hook all afternoon, per telephone operator. Sam Bothwell, Council Vice President, District operation is set to help Tom Nelson deliver letter on 10/4.

*Info added to file

reg file

Jim Davis called Tom Nelson several times during Council Commissioners meeting to inform Tom that HRS had come and interviewed him. HRS was on their way to interview the Scout and his dad, Tom Nelson previously had called and informed the dad that we had turn the information over to HRS. He seem appreciative and ready to cooperate. Jim Davis called again to see if it was alright for HRS to come to troop meeting, on 10/4, to interview Scouts. We advise him to suggest the handle it differently. He returned the call and said HRS would contact all other Scouts in Van personally and not at the Troop meeting. Jim Davis said they indicated that they would be trying to make contact with today on 10/4/89.

Attach are Appendix A which was shared with HRS and Appendix B.
