Special recognition UNK KNOWN

Recommended for Confidential File for following reasons: Ron Schlieper was dropped as SM for Troop #495 because it became known that he had made improper sexual advances upon one of the boys in his Troop, so further complicate the matter there are suspicions that he has made other advances upon boys of the Troop and had one boy actually stay overnight in his residence.

Re: Ronald Schlieper

Dear Roger:

Thank you for your letter of July 8, 1969 concerning Mr. Ronald Schlieper, Scoutmaster of Troop 495.

You indicate that you have information which makes it necessary to cancel his registration with the Boy Scouts of America. Please write us a more detailed letter as we need further information on this situation.

Enclosed is a confidential record sheet which we will appreciate your filling out and returning to us, together with the above requested information.

I am sure you realize that this will leave Troop 495 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Howard Boyd, Director  
Registration and Fulfillment Service
