Dear Ed:

In August of 1985 we received a letter from Ted Hanley related to the registration of Scott Slattery, of Troop 103C in your council. He was listed as a Assistant Scoutmaster in that unit.

The short letter we received indicated that he was a registered sex offender. If this is true we need to have more information concerning this, so that we have enough in our files to refuse registration should he move to some other location.

I am enclosing a Confidential Record Sheet which I would like to have completed. We would also like any other information which would be helpful to us in building a file which will enable refusal of registration.

Sincerely,
