Stephen Vance Simon

December 20, 1988 Mark Holtz, Director of Field Service, Viking Council, Minneapolis, Minnesota, called me and stated he had received a telephone call December 20 from a person indicating that Stephen Simon was a Scoutmaster in the Kansas City area. She further stated that Simon had been convicted of child molestation while living in the Richfield, Minnesota area.

On December 20, 1988, I called Judge John Hutcherson, Chairman, North Star District, asking if he could secure any information reference to Simon's conviction.

January 6, 1988 I called John Hutcherson and he indicated that because of the privacy act he was unable to obtain any information. On January 6, 1989 I called Mark Holtz and asked if he could secure needed information from any sources in Minnesota.

January 16, 1989 I called Mark Holtz and learned that Simon's birth date was July 1945. Simon pled guilty in May 1983 to Second Degree Child Molestation.

Desiring further information I obtained from within the Kansas City area the following information: Stephen V. Simon has an FBI number which is 896598AA7. Records indicate that two children were involved of child molestation by Simon. [REDACTED]

[REDACTED] Charges were reduced to lesser offense and Simon placed on five-year probation. Records reflect that he was 5'8" height, 168 lbs., green eyes, black hair. Made an attempt to share information with John Hutcherson and he was unavailable. Monday, January 23 I shared information with John Hutcherson and I stated that I would visit with Simon and would like to have John or Bob Nelson, District Commissioner, present with me during the conversation. Wednesday, January 25, John Hutcherson told me that Bob Nelson would be with me during the conversation. January 27, 11:30 a.m., Bob Nelson and I visited with Stephen Simon at his residence. [REDACTED]. During the conversation Simon readily admitted the charges and stated that he obtained counseling while living in Minnesota. Simon stated that he would no longer have any participation with the Boy Scouts of America and provided me with a hand-written note so stating. Copy of his note is attached.

Dear Mr. Ray:

I appreciated our recent telephone conversation regarding Steve Simon and his relationship with Boy Scouting and our Troop #495. I completely understand that Boy Scouts of America guidelines make it necessary for Steve to be relieved of all official leadership capacities with BSA.

Following our conversation, I met again with Steve and arranged for his amicable and prompt termination from our church's troop. The transition will be completed by Monday evening, February 13, at his final meeting with the troop. This 2-1/2 week phase-out avoids life-threatening trauma for our struggling troop and provides for a more natural change-over of leadership. Public information is simply that "Personal circumstances unrelated to our troop or church necessitate Steve Simon stepping aside from his relationship with our boy scout organization."

I shall continue ministering to Steve. It is my fervent hope that this man, whose unfortunate wrong has been paid to society and whose entire life has already been redeemed, may one day be reinstated with BSA.

Many thanks for your understanding and support.

Very truly yours,

David E. Ebersole
Pastor
